Dear Neighbor,

I am writing to introduce a packet of information from the Department of Water Management. Our neighborhood infrastructure is about to improve, and we want you to know about the project in advance. I also want you to know my office will be paying close attention both to the work and to its impact on your lives and property.

Specifically, the project will see a new water main installed in W. Adams Street, from S. Paulina Street to S. Ashland Avenue. My office will be working with the department to ensure that your convenience is kept in mind as the project proceeds.

I have asked Commissioner John Spatz to be sure you are well informed about this project. Please feel free to call my office at any time, if we can be of service.

Sincerely yours,

Robert Fioretti
Alderman
