The Board will allow the establishment of a dwelling units below the 2nd floor pursuant to Section 17-10-0500 of the Chicago Zoning Ordinance, the Board hereby makes and sets the following restriction(s) on the applicant and project herein. The developer is hereby prohibited from selling the parking spaces within the subject building to anyone other than a purchaser of one of the condominium units. It is further required that the Condominium Declaration provide, or be amended to provide, that a sale by the developer of a condominium unit is to be the sale of a condominium unit and, at least, one parking space. The Condominium Declaration shall further provide that all subsequent sales of a condominium unit and the parking space(s) included at the initial sale. The condominium unit owners may lease their parking space to persons who are not owners of the condominium units but are prohibited from selling the parking space to anyone other than a subsequent purchaser of their condominium unit.
Where there are parking spaces in excess of the number of parking spaces required under the Chicago Zoning ordinance for the number of units within the building, those excess parking spaces shall be designated for use by quests, delivery vehicles and vehicles parking for maintenance or service to the building or its owners. Those spaces shall not be designated as limited common elements, but rather, common elements owned and managed by the condominium association for benefit of all the unit owners. This restriction is intended to be a covenant running with the land. Additionally, the applicant is hereby required to record this order before the Variations contained herein becomes effective; that the proposed use is necessary for the public convenience at this location; that the proposed use is so designed, located and proposed to be operated that the public health, safety and welfare will be adequately protected; and that the proposed use will not cause substantial injury to the value of other property in the neighborhood in which it is to be located; it is therefore

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on March 19, 2004, after due notice thereof as provided under Section 11.7-2 and by publication in the Chicago Sun-Times on March 2, 2004; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, hereby finds the following; the building will have a 4' front yard, zero east yard, 6' west yard and the loading berth is eliminated, that the property in question cannot yield a reasonable return if permitted to be used only under the conditions allowed by the regulations in the district in which it is located; that the plight of the owner is due to unique circumstances; that the variations, if granted, will not alter the essential character of the locality; it is therefore

RESOLVED, that the Zoning Board of Appeals, by virtue of the authority conferred upon it, does hereby make a variation in the application of the district regulations of the zoning ordinance and that the aforesaid variation request be and it hereby is granted subject to the following condition(s):

That all applicable ordinances of the City of Chicago shall be complied with before a permit is issued.
