Re: 214-232 W. Ohio St.

Dear Ms. Barnes:

In response to your recent request, please be advised that the subject property is zoned DX-7 Downtown Mixed-Use District. Pursuant to Section 17-4-0207-AAA (1) of the Zoning Ordinance ("Ordinance"), an adult use cannabis dispensary requires special use approval from the Zoning Board of Appeals. Additionally, an adult use cannabis dispensary shall be located no closer than 500 feet from any school, pursuant to Section 17-9-0129 (3) of the Ordinance. According to our records, there are no schools within 500 feet of the subject property. The applicant will need to provide confirmation of this from the Illinois Board of Education as part of their special use application.

Finally, before a public hearing is held by the Zoning Board of Appeals to consider the special use application, the applicant must hold at least one community meeting in the ward in which it is proposed. Please refer to Section 17-13-0905-G of the Ordinance for more information about the community meeting process.

This letter may be used as your official denial to file for the required special use with the Zoning Board of Appeals.

Sincerely,

Patrick Murphey
Zoning Administrator
Bureau of Zoning

PROJECT NARRATIVE:

Proposed Special Use

214-232 West Ohio Street, Chicago, Illinois

The subject property is generally located at 214-232 West Ohio Street, Chicago, Illinois (“Subject Property” or “Subject Site”).

The Property is located in a *DX-7 Downtown Mixed-Use District*, within the *Near North (River North) Neighborhood* (42nd Ward) and within the *Central District*, as recently codified pursuant to the Section 17-7-0100, et seq. (*as amended*) of Title 17 of the Municipal Code of Chicago.

The Subject Site, in its entirety, is improved with two (2) five-story commercial buildings – with the common addresses of 214 West Ohio Street (“East Building”) and 216 West Ohio Street (“West Building”), respectively, and a surface parking lot.

The Applicant - MOCA LLC, d/b/a *MOCA – Modern Cannabis* (hereinafter “MOCA”), currently operates a *medical cannabis dispensary* – at 2847 West Fullerton Avenue, Chicago, Illinois, pursuant to License No. *DISP.000028*, which was issued by the State of Illinois – Department of Financial and Professional Regulation (IDFPR), as well as a *Special Use* (No. 181-15-S), granted by the Chicago Zoning Board of Appeals (ZBA). MOCA has been successfully operating this Medical Cannabis Dispensary since 2015, without pause or deficiency.

MOCA has executed a long-term lease, with the Property Owner – 216 West Ohio LLC, to occupy the entire basement thru 1st Floor of the West Building – 216 West Ohio Street, which includes a grade-level outdoor patio area (“Operating Premises”).

MOCA is leasing the Operating Premises with the intent and desire to locate and establish an *Adult-Use Cannabis Dispensary*, therein. [Section 17-4-0207] **[The proposed Adult-Use Cannabis Dispensary will operate similar to other Retail Establishments, which feature the sale of controlled substances, located within the City of Chicago, and - therefore, the proposed use at this Site will comply with the pertinent provisions of the Chicago Zoning Ordinance, with regard to such use.]*

The proposed *Adult-Use Cannabis Dispensary* (“Dispensary”) will be established within an existing commercial space, which was formerly occupied and operated by a licensed *tavern* (commonly known as *Municipal Bar*). The Operating Premises contains approximately 8,000 square feet of occupiable space (approximately 4,000 square feet in each the basement and 1st floor – exclusive of the outdoor patio). Aside from the interior build-out of the subject space, no new construction is proposed or required.

Once completed, the proposed 1st Floor of the Dispensary will contain: a reception area; a security office, where customers will be required to enter and pass all required check-in procedures; a customer waiting area, with payment/check-out counter; a showroom, with sales counter; a cannabis vault, which will allow for the onsite processing of orders; and a single restroom. The basement of the Dispensary will contain: secured storage vaults for the different types of inventory (cannabis) varieties; equipment storage; an employee office; and additional public restrooms. *[The Operating Premises includes the outdoor patio (approximately 1,400 square feet), which will NOT be part of the proposed *Dispensary* operations, but which may become viable if/when the City promulgates the rules and regulations for onsite *consumption*.]

The proposed Dispensary will be owned, managed and operated by MOCA LLC – d/b/a *MOCA – Modern Cannabis* (“MOCA”). MOCA is an Illinois registered company which currently specializes in the utilization and sale of medical-grade cannabis, and other cannabis-related products, for providing high quality medication, treatment and patient care to individuals suffering from chronic and/or debilitating medical illnesses. MOCA is ranked in the *Top 5 Medical Dispensaries* in Illinois.

MOCA is locally owned by brothers – Danny and Doug Marks, and a licensed (retired) Pharmacist – Barry Golin. Michael Chasen – formerly Deputy Chief of Detectives, with the Chicago Police Department (CPD), oversees security at all of MOCA’s facilities – including the proposed Dispensary.

For the new proposed Dispensary, MOCA intends to employ an operating staff of 30 to 50 licensed and trained individuals, which will be generally represented as follows: one General Manager; four Operating Managers; five Security Agents; ten Sales Representatives (commonly referred to as *Budtenders*); and ten Back-Of-House Employees (administration and inventory regulation). All staff members must be registered with and pass background checks with the State of Illinois (IDFPR), as well as conduct and meet the minimum amount of training education – each year. [*Pursuant to the Illinois’ Compassionate Use of Medical Cannabis Pilot Program Act (“the Medical Cannabis Act”), all employees will be properly trained and educated in their respective areas of operation, including all with regard to all applicable HIPPA and FDA guidelines.*] MOCA intends and is committed to meet the goals of the City’s Department of Business Affairs and Consumer Protection (BACP), by employing a workforce representative of the City in which it is located and operating – which shall include staff members and managers from a wide array of minority groups, with roots here in Chicago,

The proposed Dispensary will operate seven (7) days a week - from 9:00 AM until 10:00 PM. *[*The State Ordinance allows for dispensaries to operate from 6:00 AM to 10:00 PM, as a general matter.*]

Through its proposed operations, MOCA will dispense and offer for sale a variety of cannabis and other related products, including - without limitation: dried cannabis, edibles, concentrates, and topicals. The proposed Dispensary will operate in a manner consistent with the applicable City of Chicago and State of Illinois regulatory rules and guidelines for the storage, dispensing and destruction of cannabis, and other related activities related thereto.

The proposed Dispensary will meet and/or exceed all applicable security guidelines adopted by the State of Illinois for the safe storage, dispensing, sale and destruction of cannabis. The Dispensary will be equipped with a high-end security camera and surveillance system, as well as high-level security lighting, covering both the inside and outside of the facility. The exterior cameras will cover all areas of ingress and egress, including the public way and designated parking areas. The interior cameras will cover the reception and waiting areas, point-of-sales counters, and inventory (storage) room. The security system will be directly linked to and monitored by a certified third-party security company on an around-the-clock basis, which such information shall also be directly accessed by local law enforcement.

Entry to the Dispensary will be through a single main door at the front of the building. The entrance will be strictly regulated with cameras and at least one full-time security agent. All inventory (medical cannabis and related products) will be stored in steel (fire-proof and waterproof) safes/vaults within the Operating Premises, which such areas will be strictly limited to authorized staff members of staff - only. These areas will be secured from the remainder of the Operating Premises by security grade glass and automatically locking, electronic-access, doors. All main dispensary and inventory/storage area doors will require keycards and/or electronic pass codes. All deliveries will be effectuated through a highly-secured area, at the rear of the building - off of the Public Alley, which will also be monitored by the video surveillance system.

Every customer will be required to provide MOCA staff with a current and valid form of photo identification (Driver's License or State ID). No person will be allowed entry to the proposed Dispensary who does not show proof that they are twenty-one (21) years in age or older.
