2. **Preliminary Landmark Recommendation**

**SETH WARNER HOUSE**  
631 North Central Avenue  
WARD 37

**Staff Recommendation**--Staff recommends that the Commission approve the resolution:

- The Seth Warner House (the “Building”), located at the address noted above, meets three (3) criteria for landmark designation as set forth in Section 2-120-620 (1), (3) and (4) of the Municipal Code of Chicago (the “Municipal Code”), as specifically described in the Preliminary Summary of Information submitted to the Commission on this 7th of October 2021, by the Department of Planning and Development (the “Preliminary Summary”); and

- The Building satisfies the historic integrity requirement set forth in Section 2-120-630 of the Municipal Code as described in the Preliminary Summary; now, therefore

Be it resolved by the Commission on Chicago Landmarks:

Section 1. The above recitals are expressly incorporated in and made part of this resolution as though fully set forth herein.

Section 2. The Commission hereby adopts the Preliminary Summary and makes a preliminary landmark recommendation concerning the Building in accordance with Section 2-120-630 of the Municipal Code.

Section 3. For purposes of Section 2-120-740 of the Municipal Code governing permit review, the significant historical and architectural features of the Building are preliminarily identified as:

- All exterior elevations, including rooflines, of the Building.

Section 4. The Commission hereby requests a report from the Commissioner of the Department of Planning and Development which evaluates the relationship of the proposed designation to the City’s governing plans and policies and the effect of the proposed designation on the surrounding neighborhood in accordance with Section 2-120-640 of the Municipal Code.

3. **Report from Department of Planning and Development**

**LITTLE VILLAGE ARCH**  
3100 West 26th Street  
WARD 12
Staff Recommendation--Staff recommends that the Commission accept the report:

The Department of Planning and Development (DPD) finds that the proposed landmark designation of the Little Village Arch supports the City’s overall planning goals for the surrounding Little Village area and is consistent with the City’s governing policies and plans.

Standing proudly above West 26th Street, the Little Village Arch serves as the eastern gateway to what has been referred to as the “Mexican capital of the Midwest.” Completed in 1990, the Arch was highlighted in 2019 by the Commission on Chicago Landmarks as part of the Community Streetscape Markers: Context Statement. The Context Statement recognized the cultural significance of this type of public improvement and laid out the criteria necessary for such types of installations to be designated Chicago landmarks.

The designation is the first one in the City of Chicago that is associated with Chicago’s Latino community and it is consistent with the vision of the Little Village Quality of Life Plan which values family, culture and community. In addition, the designation will help to amplify the small business reinvestment projects underway along 26th Street, as part of the Neighborhood Opportunity Fund, including the Xquina Business Incubator which is being spearheaded by the Little Village Chamber of Commerce and will bring a new café, co-working/shared office space and a commercial kitchen to an historic commercial building at 26th Street and S. Drake Avenue.

To that end, DPD feels that the designation of the Little Village Arch as a Chicago landmark will help to further strengthen the bond between the people and the place of the Little Village community.

4. Class L Property Tax Incentive – Final Certification

MARSHALL FIELD AND COMPANY BUILDING WARD 42
111 North State Street

Staff Recommendation--Staff recommends that the Commission approve the resolution:

WHEREAS, on November 1, 2005, the City Council of the City of Chicago (the "City Council") adopted an ordinance designating the Marshall Field and Company Building (the “Building”), located at 111 North State Street, as a Chicago Landmark; and

WHEREAS, on February 7, 2019, the Commission on Chicago Landmarks (the “Commission”) approved the scope of work and budget for the Class L Ordinance (defined below) and recommended to City Council that the Project (defined below) be approved for the Class L real estate tax incentive; and

WHEREAS, on April 10, 2019, the City Council adopted an ordinance (the “Class L Ordinance”) recommending approval of the owner’s application for the Class L real estate

WHEREAS, due to the lease-up period required for the BSREP Property, Macy’s and BSREP may file their respective incentive appeal applications in different tax years, resulting in the commencement of the 12-year incentive period for one portion of the Building earlier than the commencement of the 12-year incentive period for the other portion; and

WHEREAS, the Commission has reviewed the Class L application and the Project undertaken at the Building pursuant to the Cook County Real Property Assessment Classification Ordinance, as amended (the "County Ordinance"), and its requirements governing the Class L real estate tax incentive; now, therefore

THE COMMISSION ON CHICAGO LANDMARKS HEREBY:

1. Adopts the above recitals as the findings of the Commission; and
