Dear Members of the Commission on Chicago Landmarks, Kandalyn Hahn, Matt Crawford, Dijana Cuvalo and Commissioner Maurice Cox,

We at Preservation Chicago, plan on testifying in support of the Preliminary Landmark Recommendation for the (Former) Schlitz Brewery-Tied House—Item #4, on Thursday, April 1, 2021, at the regularly scheduled Commission on Chicago Landmarks Hearing, via Zoom, per current Covid-19 standards and regulations.

In advance of the hearing, we wanted to submit to the Commission on Chicago Landmarks, the Department of Planning and Development-Historic Preservation Division-City of Chicago, and for the Commission's record, 8,015 signatures on 366 pages, and with an additional 24 pages of comments. All of these 8,015 signatures are in support of the preservation and Chicago Landmark Designation of this former Schlitz Brewery-Tied House, located at 1393-1399 W. Lake Street.

As you can witness by both the volume of signatures and the comments, there's tremendous public support for this structure on our Change.org petition to "Save LaLuce's Lake Street Schlitz Tied House" at 1393-1399 W. Lake Street. We wanted to share that tremendous support for this fine-quality building, currently on the City's "90 Day Demolition Delay Hold List," with all of you and for the official record.

We are honored to be able to present this list to you, representing so many voices of support for the consideration of this designation and wish to thank the department for inclusion of this important historic building on the April 2021 Agenda of the Commission on Chicago Landmarks.

Thank you!

Sincerely,  
Ward

Eric Rogers	Chicago, IL	2020-12-03	"This building is a highly visible and well-loved landmark that should be preserved as the neighborhood changes."
Patricia Bester	Chicago, IL	2020-12-03	"Protect and renovate the historical architecture of Chicago. The cold uncultured international styles of offices and residences are egregious and contribute to sterile corporate civic landscape for our town."
Frank Kryzak	Chicago, IL	2020-12-03	"This extraordinary building is an example of what makes Chicago beautiful and what people love about it. If you keep allowing buildings like this to be demolished there will be nothing left of Chicago's history and Chicago will cease to be unique. What people love about it will be gone forever. It makes no sense to allow this incredible building to be torn down, there are plenty of vacant lots in this city where people can build. Chicago's architectural legacy is at stake here and must be preserved."
Jamie Donovan	Chicago, IL	2020-12-03	"Important building worthy of preservation"
Tara DaSilva	Southwest Brevard Cnty, FL	2020-12-03	"This is my hometown. This has been the hometown of my family since the 1880s. This city has such amazing architecture and history, but for some reason those in charge are determined to destroy it for a quick dollar, instead of preserving it for the long run."
Ashley Galloway	Chicago, IL	2020-12-03	"We need to protect the character and architectural fabric of this city that make it unique and a desirable place to be."
Austin Gilkeson	Park Ridge, US	2020-12-03	"Beautiful, historic buildings should be protected to preserve our history and architectural heritage."
Daniel Buban	Chicago, IL	2020-12-03	"This building is an immense asset to the diversity of our city. Who cannot understand that?"
Matthew Severson	fresno, CA	2020-12-03	"This building is a treasure and worthy of preservation."
Lawrence Pavia	Chicago, IL	2020-12-03	"This building is one of only a couple remaining examples of mixed-use structures along Lake Street from the Victorian Era. Thoughtfully restored in the 1990's, it occupies only a small footprint of land that can be easily built around with some development creativity. It's time Chicago steps forward to put this building on the Landmarks list."
Madeline T	Chicago, IL	2020-12-03	"I care about preserving our city's history and architectural masterpieces."
Amy Keller	Chicago, IL	2020-12-03	"This is a rare remaining example of an architectural style that provides valuable context and history in the area, and without its preservation, the city will have no adequate link to the past in this neighborhood."

Marion Ahearne	Chicago, IL	2020-12-03	"Preservation is important!"
Kevin Mejia	Chicago, IL	2020-12-03	"How much more of our city's architecture are we gonna destroy until we start valuing our city's buildings? How much more of our city's heritage are we going to destroy until enough is enough. Please, sign the petition."
Sean McEntee	Chicago, IL	2020-12-03	"It's a good building"
Anthony Alfaro	Chicago, IL	2020-12-03	"Chicago's architectural heritage needs protection"

Gail Garza	Chicago, IL	2020-12-03	"Chicago is a unique, beautiful, strong, historic city with its own special centuries-old flair and personality. WHY, WHY DESTROY WHO WE ARE?Please preserve us. There are hundreds of centuries-old buildings in other parts of the world and people ENJOY THEM.We do not want or need yet another concrete or glass nondescript, BORING behemoth to sit in place of this exquisite, gorgeous, ONE-OF-A-KIND ARCHITECTURAL BEAUTY."
