# MEETING MINUTES

## PERMIT REVIEW COMMITTEE COMMISSION ON CHICAGO LANDMARKS

The Permit Review Committee (PRC) met on October 3, 2019, at 2:45 p.m. The meeting was held at 121 N. LaSalle St., in Room 201-A.

Present: Ernest Wong, Chair  
Gabriel Ignacio Dziekiewicz  
Mary Ann Smith  
Rafael Leon

Staff: Dijana Cuvalo  
Larry Shure  
Emily Barton

The following projects were reviewed by the PRC:

- 1. 226 W. Jackson** **42<sup>nd</sup> Ward**  
**Proposed Chicago & North Western Railway Building**  
Proposed exterior and interior renovation for hotel use including construction of a new one-story rooftop addition, new entrances on Franklin Street elevation, and other alterations.

**Action:** Approved unanimously (4-0) with the following conditions:

1. The new 1-story rooftop addition is approved as proposed. Metal cladding shall have a dark color with a non-reflective finish and a material sample shall be submitted with the permit application;
2. As proposed, masonry repair and replacement where necessary shall be completed to address all exterior wall condition issues. Masonry cleaning specifications and repair/replacement details shall be included with the permit application. Samples of any replacement stone, patching, and any new masonry and mortar shall match the historic in size, color, profile, texture and type and shall be reviewed and approved by Historic Preservation staff prior to order and installation;
3. As proposed, the new upper floor windows on the north elevation shall match the existing windows in size, glass size, and operation. Existing and proposed window details shall be submitted with the permit application;

4. New entrances on Franklin elevation are approved as proposed. Details of the new stone entry surround, new entry in the adjacent bay, as well as details of the new storefronts/entrances shall be submitted with the permit plans;
5. No canopies are proposed as part of the project at this time. Should new canopies be proposed in the future, the proposal will require a separate review and decision by the Permit Review Committee; and,
6. No exterior signage is approved at this time. The applicant shall provide a sign package illustrating the number, size, design, and attachment details for all proposed signage for Historic Preservation staff review and approval when developed. Signage shall not overwhelm, obscure or damage any significant historic features.

**2. 1000 S. Michigan**

**4<sup>th</sup> Ward**

**Historic Michigan Boulevard District**

Renewal of expired approval for a new 73-story, 832' residential tower with ground-floor retail and a 10-story parking structure at the base and consideration of proposed exterior cladding materials.

**Action:** Approved unanimously (3-0 with Commissioner Wong recusing himself) with the following conditions:

1. As proposed, staff recommends that the exterior changes outlined are minor and may be approved as submitted per drawings dated 7/18/19;
2. As proposed, the cladding samples for the tower spandrels and parking enclosure will be mill-finish aluminum (5005 Aluminum Mill Finish produced by Peterson Aluminum), the window frames and passage screens shall be a matte steel finish (1078-47 MTA Fluoronar, Dark Steel, 49644B produced by TNEMEC Co and the glass shall have a grey color (AGC Interpane Ipasol neutral 48/27) per submitted samples; and,
3. Any major changes to the proposal will come back for review and approval by the Permit Review Committee.

**3. 108 W. Germania**

**2<sup>nd</sup> Ward**

**Germania Club Building**

Proposed renovations of interior space at the mezzanine level, ballroom level, and balcony level to accommodate office use.

**Action:** Approved unanimously (4-0) with the following conditions:

1. As proposed the existing carpeting on the ballroom stair and lobby will be removed and existing flooring repaired or new matching wood flooring installed.

2. Any coring through historic floors shall be minimized as much as possible, and permit plans shall indicate where all holes will be made;
3. The door modifications on the north elevation of the ballroom are approved, provided that the historic wainscoting shall be retained and reinstalled as necessary and the door surround shall match that of the ballroom lobby doors;
4. The applicant shall submit a proposed color scheme of the designated interior spaces for staff review and approval. Should the proposal not meet historic preservation guidelines, it will be referred back to the Permit Review Committee for consideration; and,
5. As proposed the non-historic lighting fixtures may be removed and replaced with modern fixtures. The permit plans shall include all lighting fixture locations and section details to confirm that linear perimeter lighting will remain hidden as much as possible subject to staff review and approval.

**4. 1125 N. Hoyne**

**2<sup>nd</sup> Ward**

**Ukrainian Village District**

Proposed construction of new one-story garage to replace existing on corner property.

**Action:** Approved unanimously (4-0) with the following conditions:

1. As proposed, new fiber cement siding shall have a smooth finish with a 4" lap exposure;
2. As proposed, two paneled garage doors separated by a pier shall be installed on the east elevation. Garage door cut sheet shall be submitted with permit application; and,
3. A window shall be added to the sidewalk elevation of the garage in order to break up the blankness of the wall and make the design more compatible with the character of the district. An elevation showing window location and size shall be submitted with permit application.

**5. 3601 N. Harding**

**30<sup>th</sup> Ward**

**Villa District**

Proposed expansion of existing masonry garage with new roof deck on corner property.

**Action:** Approved unanimously (4-0) with the following conditions:

1. The garage addition and new roof deck are approved as shown in drawings dated 9/17/19;
2. The new garage doors are approved as proposed. New garage door cut sheets shall be submitted with permit application; and,

3. As proposed, any removed masonry shall be salvaged for reuse. Any new masonry required shall match the historic in color, size, texture, and appearance. New mortar will match the historic in color, type/strength, texture, and joint profile.

**6. 6270 N. Louise**

**39<sup>th</sup> Ward**

**Old Edgebrook District**

Proposed new rear addition to corner single-family residence, replacement of non-historic siding, and new garage.

**Action:** Approved unanimously (4-0) with the following conditions:

1. The one-story addition and new garage are approved as shown in drawings dated 8/19/19; and,
2. As proposed, non-historic siding shall be removed from all elevations of the existing building. Upon removal of the non-historic siding, Historic Preservation staff shall be notified and make a site visit to verify if any historic wood siding remains, to review its condition, and determine if it can be retained and repaired. If the historic wood siding can be repaired, select areas of deterioration are to be replaced in kind with wood clapboard to match design, lap exposure, profile, dimensions, and finish of the existing historic siding. If the siding cannot be repaired, new wood clapboard siding shall be installed.

**7. 905 W. Fulton Market**

**27<sup>th</sup> Ward**

**Fulton-Randolph Market District**

Proposed new 17'-9" long by 4'-3" tall reverse lit channel letter sign reading "Mondelez International", new plaque and canopy signage.

**Action:** Approved unanimously (3-0 with Commissioner Houlihan voting "present") with the following conditions:

1. Signage attachments for the proposed parapet and plaque signs are to be made at mortar joints wherever possible, and as proposed, there will not be any visible conduit installed on the exterior of the building.
2. The illumination for the parapet sign shall not change colors and shall be dimmable in order to adjust the lighting levels to ensure that they will not be a source of distraction or unwanted flashiness in the district.
