

Chicago Park Boulevard System Historic District Nomination to the National Register of Historic Places

Community meetings

The staff of the Historic Preservation Division, Department of Housing and Economic Development, City of Chicago, will present an overview of the city-sponsored National Register nomination of the Chicago Park Boulevard System at these meetings. The extent of the nomination will be discussed, along with general information about what National Register listing of the boulevard system means. General information about rehabilitation incentives that are available for National Register-listed properties will also be presented. These meetings are opportunities for property owners and community residents to learn more about the nomination and to ask questions.
