The statement should indicate which policies or purposes are or are not applicable to the Applicant’s proposal, and, for those policies and purposes which are applicable, the statements should discuss the potential impact of the proposal.

1. Fourteen Basic Policies

1. Complete the publicly owned and locally controlled park system along the entire Chicago lakeshore.

RESPONSE: The property is owned by the Chicago Park District, a public body. The Chicago History Museum is a Museum in the Park. The property is located in the Public Use Zone.

2. Maintain and enhance the predominantly landscaped, spacious and continuous character of the lakeshore parks.

RESPONSE: The proposed History Trail and accompanying improvements will enhance the landscaping of this portion of Lincoln Park with new planting beds and trees.

3. Continue to improve the water quality and ecological balance of Lake Michigan.

RESPONSE: The proposed History Trail will not affect or impact the Lake Michigan water.

4. Preserve the cultural, historical, and recreational heritage of the lakeshore parks.

RESPONSE: The creation of the Richard M. & Shirley H. Jaffee History Trail will transform the southwest corner of Lincoln Park with newly landscaped park grounds and provide a pedestrian walking trail incorporating historical exhibits, thus preserving the cultural, historical and recreational heritage of Lincoln Park.

5. Maintain and improve the formal character and open water vista of Grant Park with no new above-ground structures permitted.

RESPONSE: The proposed project does not impede the open water vista of Grant Park, as it is not located in or near Grant Park. There is no new above-ground structure. This project will not affect or impact this policy.

6. Increase the diversity of recreational opportunities while emphasizing lake-oriented leisure time activities.

RESPONSE: The new History Trail Project will invite guests to experience the Park and History Trail through a series of interpretive experiences, thus enhancing leisure time activities. The Eat plaza of the History Museum is also being renovated to provide a community gathering place.

7. Protect and develop natural lakeshore park and water areas for wildlife habitation.

RESPONSE: The lakeshore park will be enhanced at this location, which expectantly will promote wildlife habitation.
8. Increase personal safety.

RESPONSE: The enhancements to this southwest corner of Lincoln Park will provide new, well-marked pedestrian trails, as well as a new gateway to the Park, thus promoting personal safety.

9. Design all lake edge and lake construction to prevent detrimental shoreline erosion.

RESPONSE: No part of the History Trail is to be built at lake’s edge. The History Trail will not affect or impact the shoreline.

10. Ensure a harmonious relationship between the lakeshore parks and the community edge, but in no instance will further private development be permitted East of Lake Shore Drive.

RESPONSE: The History Trail will enhance the relationship between Lincoln Park and the surrounding community by establishing an active learning experience in this newly enhanced part of Lincoln Park. There is no new construction of any sort.

11. Improve access to the lakeshore parks and reduce through vehicular traffic on secondary park roads.

RESPONSE: The History Trail will improve pedestrian access to Lincoln Park by creating new walking trails around the north, east, and south sides of the Chicago History Museum.

12. Strengthen the parkway characteristics of Lake Shore Drive and prohibit any roadway of expressway standards.

RESPONSE: The newly enhanced landscaping will strengthen the parkway characteristics of Lake Shore Drive. No new roadway is proposed.

13. Ensure that all port, water supply, and public facilities are designed to enhance lakefront character.

RESPONSE: The new landscaping and pedestrian trails will enhance the lakefront character, including improvements around the Chicago History Museum, a public facility. The project will not affect or impact the port or water supply.

14. Coordinate all public and private development within the water, park, and community zones.

RESPONSE: The History Trail is being coordinated with the Chicago Park District and surrounding community. The project is located within the Public Use Zone of the Lakefront Protection District.
PART FOUR: POTENTIAL IMPACT OF THE PROPOSAL

II. Thirteen Purposes

1. To promote and protect the health, safety, comfort, convenience, and the general welfare of the people, and to conserve our natural resources;

RESPONSE: The proposal will promote the health, safety, comfort, convenience and general welfare of the public by enhancing the public park landscape surrounding the Chicago History Museum with a new pedestrian history trail and renovated public plaza.

2. To identify and establish the Lake Michigan and Chicago Lakefront Protection District and to divide that District into several zones wherein any and all development or construction, as specified in Article V hereinafter, shall be specifically restricted and regulated;

RESPONSE: The proposed history trail is located on Chicago Park District property and will be appropriately regulated per an agreement with the Chicago Park District. It is located in the Public Use Zone.

3. To maintain and improve the purity and quality of the waters of Lake Michigan;

RESPONSE: The proposed history trail will not affect or impact the waters of Lake Michigan.

4. To insure that construction in the Lake or modification of the existing shoreline shall not be permitted if such construction or modification would cause environmental or ecological damage to the Lake or would diminish water quality; and to insure that the life patterns of fish, migratory birds and other fauna are recognized and supported;

RESPONSE: There is no construction in the Lake or modification of the existing shoreline. No ecological damage will occur, and thus, will have no affect or impact on the Lake or shoreline.

5. To insure that the Lakefront Parks and the Lake itself are devoted only to public purposes and to insure the integrity of and expand the quantity and quality of the Lakefront Parks;

RESPONSE: The proposed history trail will be open to the public at no cost. Its public purpose is to educate and inspire the public with an interpretive experience of Chicago’s history.

RESPONSE: Public transportation is not affected or impacted by this proposal.

9. To insure that no roadway of expressway standards, as hereinafter defined, shall be permitted in the Lakefront Parks;
RESPONSE: There is no new roadway as part of this proposal, and thus the Park will not be affected or impacted.

10. To insure that development of properties adjacent to the Lake or the Lakefront Parks is so defined as to implement the above-stated purposes, provided, however, that with respect to property located within the Private Use Zone as established by Article V, VI, and LX of this Ordinance, the permitted use, special use, lot area per dwelling unit, and floor area ratio provisions of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, shall govern except where such provisions are in substantial conflict with the purposes of this Ordinance or the Fourteen Basic Policies of the Lakefront Plan of Chicago;

RESPONSE: The development will comply with the Chicago Zoning Ordinance POS 1 regulations.

11. To achieve the above-stated purposes, the appropriate public agency should acquire such properties or rights as may be necessary and desirable;

RESPONSE: The proposed history trail is on public property. There is no property to acquire.

12. To define and limit the powers and duties of the administrative body and officers as provided herein;

RESPONSE: The proposal does not affect or impact City administrative officers’ powers and duties.

13. Nothing contained in the Lake Michigan and Chicago Lakefront Protection Ordinance shall be deemed to be a waiver or consent, license or permit to use any property or to locate, construct or maintain any building, structure or facility or to carry on any trade, industry, occupation or activity which may be otherwise required by law.

RESPONSE: The Applicant understands that approval, if granted, will not waive any lawful requirements necessary for the history trail.
PROJECT NARRATIVE
THE CHICAGO HISTORY MUSEUM
1601 NORTH CLARK STREET

Founded in 1856 and incorporated as a not-for-profit organization under the laws of the State of Illinois, the Chicago History Museum (“CHM”) (formerly known as the Chicago Historical Society) is Chicago’s oldest cultural institution and home to millions of historical objects, images and documents. CHM is devoted to collecting, interpreting, and presenting the rich multicultural history of Chicago. CHM is a member of Museums in the Park.

CHM is located at 1601 North Clark Street (the “Property”), which is in the southwest corner of Lincoln Park, which is owned by the Chicago Park District (“CPD”). The Property is zoned POS-1, a Regional or Community Park, and is located in the Public Use Zone as defined in the Lake Michigan and Chicago Lakefront Protection Ordinance. The CHM campus is almost 30 acres in size, although the scope of this project will make use of approximately 4.5 acres.

In keeping with its mission of presenting the cultural history of Chicago, CHM is embarking on an outdoor interpretive experience and beautification of the park grounds around the museum in partnership with CPD. The Richard M. and Shirley H. Jaffee History Trail will encircle the CHM building with interpretive stops incorporating historical exhibits along a pedestrian pathway that ranges for approximately 1600 linear feet, and will include additional landscaping with planting beds and trees. A new gateway and sign at the corner of LaSalle Drive and Clark Street will create a destination and gathering place on this currently forgotten spot. As part of the project, CHM will restore the plaza on the building’s east side, creating an inviting outdoor gathering space which will include pergolas and benches as well as new plantings to provide shade and beauty. The renovation of the plaza will also serve as a repair of the roof of CHM’s East Basement Research Collection archival storage area located below grade.
Plaza roof additions include:
- Two pergolas
- Turf steps
- New plaza surface covering new waterproofing layer and insulation
- New planting/landscaping
- Steps and windows retain historical accuracy
Plaza – roof of research collection storage facility at basement level

Renovation of waterproofing and plaza surface is key part of plan to protect integrity of collection from water infiltration
JAFFEE HISTORY TRAIL RENDERINGS/ELEVATIONS – RAILROAD THEMED INTERPRETIVE STOP
Plaza at corner to move visitors away from intersection

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.
3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:
   • the Disclosing Party;
   • any "Contractor" (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, "Disclosure of Subcontractors and Other Retained Parties");
   • any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
   • any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").
Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;

b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or

d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such
contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."
If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

N/A

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). ☐ 2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. 4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

Re: Chicago Park District Support – History Museum LPO Application

Dear Patrick:

Please be advised that the Chicago Park District is in full support of the History Trail project proposed by the Chicago History Museum for Lincoln Park. We feel that the History Trail will help to activate an underutilized part of the park, while adding to the city’s rich cultural heritage.

The Chicago Park District respectfully requests that the application be processed as soon as possible to ensure that construction can move forward in a timely manner.

Please contact me at 312-742-4685 if you have any questions.

Sincerely,

Heather Gleason
Director of Planning & Development

Dear Sir or Madam:

In compliance with the requirements of Section 16-4-100 (c) of the Lake Michigan and Chicago Lakefront Protection Ordinance, please be informed that on or about October 30, 2020, an application will be filed on behalf of the Chicago History Museum, pursuant to the Lake Michigan and Chicago Lakefront Protection Ordinance for the property located at 1601 North Clark Street.

The Chicago History Museum, in partnership with the Chicago Park District, will be creating The Richard M. and Shirley H.
