number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
16. The Applicant acknowledges and agrees that the rezoning of the Property from B3-1 Community Shopping District to B2-3 Neighborhood Mixed-Use District, and then to this Planned Development (“PD”) No. \_\_\_ is an “entitlement” that triggers the requirements of Section 2-44-085 of the Municipal Code of Chicago (the “ARO”). The Applicant has applied for Low-Income Housing Tax Credits or other forms of financial assistance from the City. Such financial assistance imposes affordability requirements (the “Financing Requirements”) that exceed the ARO requirements. As a result, if the Applicant receives such financial assistance, the Financial Requirements shall govern the Applicant’s obligation to provide affordable housing in the PD. If the Applicant does not receive such financial assistance, the Applicant shall comply with the ARO.

17. Pursuant to the Chicago Zoning Ordinance (Section 17-8-0911), a Planned Development gives priority to the preservation and adaptive reuse of Chicago Landmark buildings. The Planned Development includes Laramie State Bank Building which is a designated Chicago Landmark. Work to designated Chicago Landmarks is subject to the review and approval of the Commission on Chicago Landmarks pursuant to the Chicago Landmarks ordinance, Section 2-120-740.
18. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to B2-3 Neighborhood Mixed-Use District.

Dear Chairman Tunney,

This letter serves to inform you that the City of Chicago owns the above referenced properties; and consents to the Austin United Alliance Development Company, LLC ("Applicant") to file a planned development application to allow for redevelopment of the City property. The Applicant intends to develop the site with a six-story, 78 unit mixed-income apartment building; and complete the restoration of the vacant, landmark Laramie Bank building into a 14,000 square foot commercial and office space.

Austin United Alliance Development Company, LLC submitted an application for the purchase of the property with the Department of Housing and the Department of Planning and Development and requested City financial assistance for the project. The filing of the PD application and this consent letter should be construed as consent to the requested financial application ask.

This consent letter also does not constitute the City's endorsement or approval of the exhibits or statements in the planned development application. The PD exhibits and statements will be revised as needed prior to a future Chicago Plan Commission meeting.

Sincerely,

Maurice D. Cox Commissioner
