

MAYOR RAHM EMANUEL

CITY OF CHICAGO OFFICIAL NOTIFICATION

SAMPLE ENERGY BENCHMARKING NOTIFICATION LETTER

According to City records, a building under your ownership or management must comply with the Chicago Energy Benchmarking Ordinance* by **June 1, 2019**.

Building Address: **100 Sample Street**
Chicago Energy Benchmarking ID: **123456**

Buildings over 50,000 ft² in area must track and report energy use annually and verify data every three years. **Your building is also required to complete data verification this year by June 1, 2019.**

Start benchmarking today:

- 1** Get Started: Confirm that the building listed above must comply and identify a benchmarking lead.
- 2** Benchmark Your Building: Set up a Portfolio Manager account and a building profile (if a profile does not yet exist). Populate the profile with the required information.
 - For more details, watch the free **online training videos** at: <http://bit.ly/BenchmarkingVideos>
 - If you need more help, review a free **Training** online: <http://bit.ly/BenchmarkTraining>
- 3** Report to the City: Generate, review, and submit the report through Portfolio Manager.
