

**THURSDAY, DECEMBER 2, 2021**  
**8-10 AM**

## **INDUSTRIAL ENERGY SAVINGS WORKSHOP**

The City of Chicago, ComEd, Peoples Gas and EPA Region 5 are hosting a free virtual workshop focused on industrial energy savings for Chicago facilities. Learn how to reduce operating costs, increase profit margins, lower your greenhouse gas footprint, and earn incentives through energy efficiency. This two hour workshop will cover:

- **Successful industrial energy efficiency case studies.**
- **Energy management planning for your facility, including an introduction to Strategic Energy Management.**
- **Incentives and recognition programs from ComEd, Peoples Gas, and ENERGY STAR.**
- **Free resources for improving energy efficiency at your facility.**

### **PARTNERS**

An Exelon Company

**WHEN:** December 2, 2021  
8-10 AM CST
