**Q1: Can a single entity submit a Proposal for multiple spaces?**

Answer 1: Yes, a single entity can submit a response for multiple locations, but will only be awarded one contract for the retail location and one contract for the food & beverage location. For example, you can be awarded two contracts, but they cannot be both for the same use. One will be for a retail business and the other will be for a food and beverage business. They cannot be both retail nor both food and beverage.

**Q2: Redacted PDF: Could you kindly provide more information regarding the specific requirements for the redacted PDF that must be submitted?**

Answer 2: The guidelines for the redacted proposal can be found in Section C, Part 4.3 “Transparency” of the Request for Proposal.

**Q3: What equipment does the City provide in the food and beverage spaces in the Community Market Place?**

A3: The city provides and owns the following equipment in the Food and Beverage type vendor space: Hot Well, Cold Well, Compressor for Cold Well, Compartment Sink, and Hand Sink. You can find the layout of the space in Exhibit 1-Location Descriptions, Kiosk B Layout.
