The City of Chicago has published this map to help bicyclists use their bicycles on the streets of Chicago. Routes listed are accurate as of Spring 2023 and conditions may change. Users of this map should be aware that potential hazards and obstructions may exist on the routes shown and that the City of Chicago in no way warrants the safety or fitness of the selected routes. This map does not expand the liability of the City of Chicago to people biking beyond existing law. Users of this map bear full responsibility for their own safety. Routes shown in the neighboring cities are for the convenience of the map users, but the City of Chicago in no way endorses these routes or can verify their accuracy.

Sharing the Street

Tips for People Biking

For People Driving

COMMUNICATE

The Municipal Code of Chicago (9-52-010) requires people riding a bike to obey all of the same traffic laws as people driving. This means obeying stop signs and traffic lights, and stopping for people walking in crosswalks.

Use hand signals so that people know where you're going. Signal all your turns and stops ahead of time. Also, before turning, look over your shoulder for any traffic. Check and only move when it's safe.

MAKE EYE CONTACT

Confirming eye contact with people driving helps them know that you're on the road.

SEE. BE SEEN. BE HEARD.

Use lights at night and when visibility is poor. A white headlight and rear red reflector are required by law. Flashing lights are especially effective. Using bike reflectors, wearing reflective clothing, and having a bell can all make you more visible when riding.

NEVER USE EARPHONES

Using earphones is dangerous because you won't be able to hear what's going on around you.

DIVVY • Lyft
Divvy is Chicago's bike share system, which provides a fast and flexible way to get around.

DIVVY OFFERS FREE PARKING AT SELECT PUBLIC BIKE RACKS

Now you can park your Divvy ebike or scooter free at hundreds of public bike racks throughout the city of Chicago! Look for the bike rack icon  on the Divvy app or website.

To end your ebike or scooter ride, you can dock at any Divvy station or use the bike or scooter's cable to lock at any of the Divvy approved public bike racks for no additional cost. For an additional fee, you can also park an ebike or scooter at any other legal bike parking location.

You can find all these new locations when you open up your Lyft or Divvy app.

For current station locations, information about pricing and the network visit divvybikes.com or download the Divvy or Lyft app.

BIKES ON TRANSIT

CTA TRAINS 
Bring your bike on all CTA trains except weekdays 7:00 - 9:00 a.m. and 4:00 - 6:00 p.m. (Note: if trains are too crowded, bikes may be prohibited). For more information on taking bikes on trains or buses, or for a free copy of the "Bike & Ride" brochure and route map, call: **1.888.YOUR.CTA** or visit: transitchicago.com

METRA TRAINS 
Bring your bike on all Metra trains and look for specialized Bike Cars on select lines. (Note: if trains are too crowded, bikes may be prohibited). For more information, including rules and regulations, schedules, and fares, call: **312.322.6777** or visit: metra.com

SOUTH SHORE LINE TRAINS
Bring your bike on select South Shore Line trains. To learn more about which trains accommodate bikes and other bike program guidelines, call: **219.926.5744 x308** or visit: mysouthshoreline.com/bikes

PACE BUSES 
For route information, call: **(847) 364.PACE** or visit: pacebus.com

PUT YOUR BIKE ON THE BUS!

BIKE RACKS ON CTA AND PACE BUSES
Bicycle racks are available on the front of all CTA and Pace buses. Racks accommodate two bicycles at a time. Remove large accessories from your bike before loading. If you're concerned about the security of your bicycle, lock your bicycle's front wheel to your frame before the bus arrives.

- Alert the bus operator.
- Lower the rack by squeezing the center handle.
- Load bike (in the available spot closest to the bus) and secure front tire with support arm.
- Board the bus and pay fare.
- When exiting, alert the bus operator that you'll be removing your bike.
- Unload your bike. If no other bikes remain, stow the rack against the bus in the upright position.

BIKE & MICROMOBILITY PARKING

YOU CAN LOCK YOUR PERSONAL OR SHARED BIKE, SCOOTER, OR OTHER MICROMOBILITY DEVICE TO ANY BIKE RACK, LIGHTPOLE, STREET SIGN, OR RETIRED PARKING METER. HERE ARE SOME TIPS TO HELP PREVENT YOUR BIKE FROM BEING STOLEN:

- Never leave your bike or micromobility device unlocked.
- Always use a high-quality U-lock or chain. For added security use both.
- Never lock your bike in a way that could block other sidewalk users.
- Report any abandoned bikes at CH1311

Always lock the frame and front wheel to either a rack or pole. For extra security, remove the front wheel and lock it with the frame and rear wheel.

AVOID DOORING CRASHES

DRIVERS, USE YOUR RIGHT HAND, LOOK FOR PEOPLE BIKING!

Using your right hand to open the car door will force your upper body to turn and look behind for oncoming bicyclists.

REPORT BIKE-RELATED ISSUES WITH THE CH1311 MOBILE APP, INCLUDING:

- Abandoned bikes
- Vehicle parked in bike lanes
- Show or debris in bike lanes
- Damaged bike racks
- Poorly parked shared bike or scooter
- Create new requests, explore requests in other neighborhoods, and track requests you submit. Download the app today!
