**Print Employer/Business Name**

HAS AGREED TO HONOR CDC GUIDELINES FOR RETURNING EMPLOYEES

(Print business name) \_\_\_\_\_ understand and  
acknowledge that, per the Chicago Department  
of Public Health, a negative test should NOT be required for employees who  
had COVID-19 to return to work. As non-infectious virus can stay in the  
system for up to 12 weeks, a person may have a positive test but is NOT  
infectious if they have met the CDC criteria to return from isolation:  
1) 10 days have passed since symptoms started (or since positive test if never had  
symptoms) 2) no fever for 24 hours without taking fever-reducing medication 3)  
symptoms are improving.
