# Can't find your COVID-19 vaccine card?
NO PROBLEM!

If you received your COVID-19 vaccine in the State of Illinois, you can scan the QR code below to access your vaccination records through the Illinois Department of Public Health "Vax Verify" portal.

VAX VERIFY

scan

OTHER OPTIONS

- Contact the clinic or health provider where you were vaccinated. Ask for a replacement card. They will have a record of your vaccine there.

- Get your immunization history through your healthcare provider. You can look it up yourself, in your online health record under the immunization history section.
