Chicago's Community Safety Coordination Center (CSCC) works across City departments to implement a comprehensive approach to address the root causes of community violence. Our work includes near- and long-term strategies to create safe spaces, support residents in addressing their individual and family needs, and promote a culture that leads towards community wellness and safety.

This Introductory Guide to City Services provides Chicago residents with the necessary information to access city resources and participate in our communities fully. It aims to simplify communication between Chicagoans and city departments, address inquiries or concerns, and establish a sustainable relationship between the City and its residents.

# WHAT DOMESTIC VIOLENCE RESOURCES ARE AVAILABLE?

If you or someone you know is experiencing domestic violence, you can call or text the Illinois Domestic Violence Hotline at **877-863-6338 (877-TO END DV)**. You can also chat online at Get Help -The Network ([the-network.org](https://www.the-network.org)).

**THE HOTLINE IS FREE, CONFIDENTIAL, AND AVAILABLE 24 HOURS A DAY, 7 DAYS A WEEK.**

Language assistance is available in over 240 languages.

## WHAT TO EXPECT WHEN YOU CALL THE HOTLINE:

1. You'll hear a recording letting you know that the Hotline is confidential and free. Depending on the call volume, you may be put in a queue, typically for under 3-5 minutes.

2. You'll speak with a Victim Information and Referral Advocate. Once you're safe to speak with them, they may ask you some questions to better serve your needs, including connecting you with a translator if you'd prefer to speak in another language.

3. The advocate will listen to your story, offer support and safety planning, and can connect you with resources, such as emergency housing, counseling, and legal advocacy.

4. If you're ready to be connected with resources, the advocate will put you on hold briefly and initiate a "warm transfer," sharing your needs with the fellow advocate who will be supporting you and providing culturally specific programming.

5. Your advocate will offer you a client ID number, so you can call back for further resources. All questions are optional and confidential.

# I WANT TO HOST AN EVENT IN MY COMMUNITY. WHERE DO I START?

Decide your preferred date and location for your event. Consider factors such as outdoor versus indoor events and capacity. Plan an alternate indoor option for outdoor events, in case of inclement weather.

If you are hosting the event on your block or in a local park, you will likely need a permit. Find guidelines and restrictions for your event at [bit.ly/SpecialEventPermitsApply](https://bit.ly/SpecialEventPermitsApply).

## HOSTING A BLOCK PARTY

If you are hosting a block party, make sure to obtain and submit your application to your local alderman's office in a timely manner. Find your alderman at [bit.ly/Aldermanlookup](https://bit.ly/Aldermanlookup).

After submitting your application, proceed with planning your event and follow up with your alderman's office to ensure your application has been approved!

## HOSTING AN EVENT AT YOUR LOCAL PARK

If you are hosting an event at your local park, check guidelines and restrictions at [bit.ly/PermitRentals](https://bit.ly/PermitRentals).

Depending on the details and size of your event, you will likely need to connect with the park's manager at your local park facility!

Once you have confirmed details with the park manager, proceed with planning your event!

# I DON'T HAVE HEALTH INSURANCE. HOW CAN I ACCESS HEALTHCARE SERVICES IN MY COMMUNITY?

There are many community health centers that provide low-or no-cost healthcare regardless of insurance, immigration status, or ability to pay.

The easiest way to find a community health center near you is by calling the 2-1-1 line and connecting with a live Resource Navigator, who can provide comprehensive information and referral support for any health and social services that you may need.

## TO CONNECT WITH A LIVE RESOURCE NAVIGATOR:

Dial 2-1-1

Text your zip code to 898211

Visit 211 [MetroChicago.org](https://MetroChicago.org) and use the webchat chat feature

*If you or someone you know is in immediate danger of harm, please call 911.*

The CTA operates the nation's second largest public transportation system. It is a regional transit system that serves 35 suburbs, in addition to the City of Chicago, and provides 81 percent of the public transit trips in the six-county Chicago metropolitan area either with direct service or connecting service to Metra and Pace. To navigate to website, please use QR code or visit

[transitchicago.com/](https://transitchicago.com/)

Find information on accessibility, airport transit, maps, how-to-guides, route information, schedules, visitor info, alerts, trackers, etc. under **Travel Info** tab\*

Find information on fare chart, military service pass, reduced/free ride programs, student fares, u-pass, etc. under **Fares** tab\*

More than just buses and trains getting people from Point-A to Point-B, the CTA connects people, jobs and communities. CTA is woven into the fabric of Chicago's communities. And with every dollar invested in transit, is an opportunity to extend those positive benefits to the communities we serve, which is why equity and inclusion are a factor behind decision made at the CTA – from service changes to jobs and contracting opportunities.

## PROGRAMS INCLUDE: CAREERS AND OPPORTUNITIES:

### JOB POSTINGS

If you are smart, innovative and committed, then come as you are. CTA is a progressive and open-minded organization, and is proud to be an equal opportunity workplace and an affirmative action employer. Proudly employing more than 10,000 employees, everyone at CTA plays a vital role in keeping Chicago's transit system moving safely and efficiently 24/7. Learn what qualities make a great CTA employee and find an opportunity that matches your professional skill set and interests to begin your career in transportation! ## CAPITAL IMPROVEMENTS:

### PROJECTS

More than \$3.6 billion in capital improvement projects are planned across the CTA between 2024-2028, including tracks, rail stations, buses and trains, facilities and technologies. Among the many important investments is the Red Line Extension, which will extend the CTA's busiest rail line to the southern City limits and will provide greatly improved transit access and connectivity to the Far South Side of Chicago.

Other capital projects to continue or begin in 2024 include:

- All Stations Accessibility Program (ASAP): A total of 14 rail stations are now fully funded for future accessibility modernization construction work. Of these stations, five are currently under construction, three are in design and five are in various stages of planning. In addition to station improvements, CTA has \$37M in funding for elevator replacements and/or modernizations of existing elevators across the system-up to 16 elevators.
- Bus System Electrification: Funds allocated for the full electrification of the 103rd Garage, plus an allocation of funding for the ongoing Chicago Garage implementation.
- Rail Fleet Modernization: Increased production of the 7000-series—CTA's newest generation of railcars. Plus, ongoing quarter-life overhauls of the agency's 5000-series
- Refresh & Renew: Expansion of this annual facilities improvement program to include more CTA employee workplaces, while continuing to focus on rail station repairs and enhancements.

## ADDITIONAL INFORMATION:

### ACCESSIBILITY

Currently, CTA has one of the most accessible systems of any larger, older transit agency. CTA's fleet of trains and buses are 100% accessible. Further, more than 70% of its rail stations (103 of 145) also are also accessible – a higher percentage than such cities as New York, Boston and Philadelphia. As part of its commitment to make its rail system 100% accessible, in 2018, CTA unveiled the All Stations Accessibility Program (ASAP) Strategic Plan—a blueprint for making the remaining 42 rail stations vertically accessible by 2038. To learn more, please use the QR code or visit: [transitchicago.com/accessibility/asap/](https://transitchicago.com/accessibility/asap/)

### PUBLIC ART AND ARCHITECTURE

Chicago's bus and rail system is a living, interactive gallery of unique works of art and architectural design elements that reflect the cultural influences of the men and women who have lived and worked in the communities we've served for more than a century. Over the last decade, the CTA's public art collection has nearly doubled to include nearly 90 permanent works of art across all eight rail lines and multiple bus facilities. This dynamic and immersive collection of public art includes mosaics, art glass, sculptures and interactive installations created by nationally and internationally acclaimed artists, many of whom are local. To learn more, please use QR code or visit [transitchicago.com/art/](https://transitchicago.com/art/)

### HISTORICAL TRAINS & BUSES

The Heritage Fleet Program was created to preserve and celebrate the history of CTA. This program was created to ensure that Chicago's vintage buses, rail cars and other equipment—from the 1920s through the 1970s—are preserved and maintained so they can be remembered and enjoyed through charters and special events held for the public. To learn more, please use the QR code or visit [transitchicago.com/heritagefleet/](https://transitchicago.com/heritagefleet/)

# SUBMIT A FOIA REQUEST

The Illinois Freedom of Information Act (FOIA) makes government more transparent by guaranteeing access to government records. A FOIA request is a written request for an agency's records. Anyone can submit a request to any agency or department.

To make a FOIA request, please scan the QR code or visit [chicago.gov/SubmitFOIARequest](https://chicago.gov/SubmitFOIARequest).

- Before writing a request, first check if the information you're looking for is already available on the department's website or on the Chicago Data Portal ([data.cityofchicago.org](https://data.cityofchicago.org)).
- All FOIA requests must be submitted directly to the appropriate City Department.
- Remember to include the name, mailing address, and daytime phone number of the requester, along with a description of the records being requested.
- A public records request does not need to follow any particular format, but clear language will help the department's FOIA officer quickly and efficiently respond with your requested information.
- Please note that all FOIA requests are posted online. When you submit a FOIA request, your name and information about the request will be made available on the City's website

# ALDERPERSON OFFICE DIRECTORY

---

The City of Chicago is divided into fifty legislative districts or wards. Each district is represented by an alderman who is elected by their constituency to serve a four-year term. In addition to representing the interests of their ward residents, together the fifty aldermen comprise the Chicago City Council, which serves as the legislative branch of government of the City of Chicago.

The legislative powers of the City Council are granted by the state legislature and by home rule provisions of the Illinois constitution. Within specified limits, the City Council has the general authority to exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power to regulate for the protection of the public health, safety, morals, and welfare; to license; to tax; and to incur debt.

TO FIND YOUR WARD AND ALDERPERSON PLEASE VISIT
