

# ISW Greater Englewood 63<sup>rd</sup> Street, Loomis to Wallace and Halsted, 59<sup>th</sup> Street to 66<sup>th</sup> Street Streetscape

# Streetscape Scope

2

Supports the Invest South/West initiative to re-activate neighborhood cores that have historically served as focal points for pedestrian activity, shopping, services, transportation, public spaces and quality-of life amenities for residents.

Part of Chicago Works: Mayor Lori E. Lightfoot's five-year capital plan that will Invest in Communities Through Infrastructure.

Streetscapes consist of infrastructure, pedestrian safety, and placemaking improvements with the goal of creating unified, safe, walkable, and attractive street. The streetscape projects are comprehensive and include public right-of-way improvements from building face to building face.

## The Project Includes:

- Public Outreach
- Placemaking and urban design strategy
- Concept design & engineering
- Detailed design & engineering
- Construction of the corridor
