63<sup>RD</sup> AND HALSTED CORRIDOR IMPROVEMENTS

## The Halsted Roadway Concept will:

### INCREASE PEDESTRIAN SAFETY

- Shorten crossing distances
- Provide safe areas to wait at crosswalks
- Add trees, seating, trash receptacles

### REDUCE SPEEDING

- Reduce from four lanes to two between 59<sup>th</sup> and Emerald and Green Line to 66<sup>th</sup>
- Turn lanes maintained
- Four lanes maintained at 63<sup>rd</sup>/Halsted

### INCREASE BIKE AND TRANSIT SAFETY

- Provide continuous protected bike lanes
- Forward compatible with Englewood Line Trail
- Improve bus stop waiting areas

## Next steps:

Get additional  
community feedback

Coordinate with CMAP  
on future 2050 traffic  
projections

Coordinate with CDOT  
bike group, CTA, and  
Englewood Line planning

# THANK YOU! THANK YOU! THANK YOU!

## We appreciate **YOUR** participation!
