

IDENTIFIER INSPIRATION

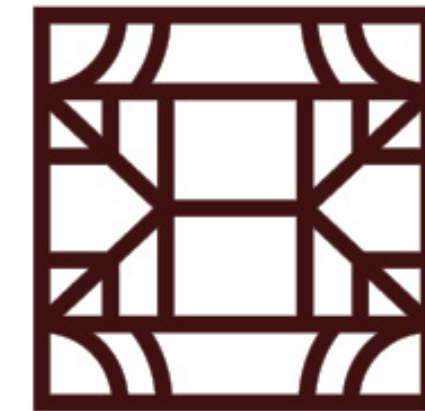

Place a sticky dot on the color palette you like best or scan the QR code to fill out our survey.

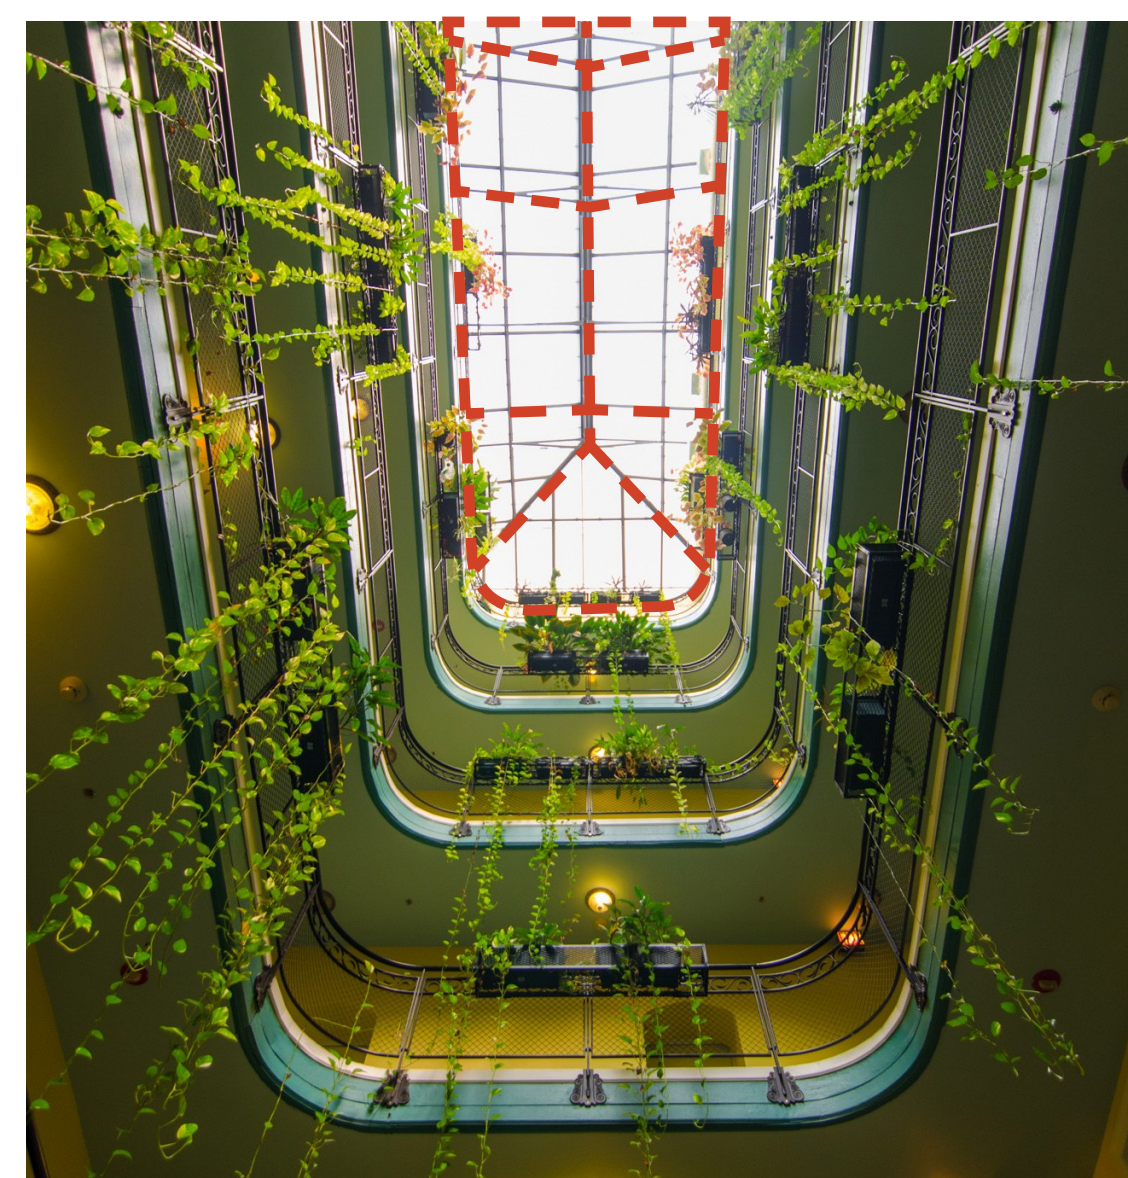

The project team used patterns from local architecture and community feedback on identifier styles to develop design concepts.

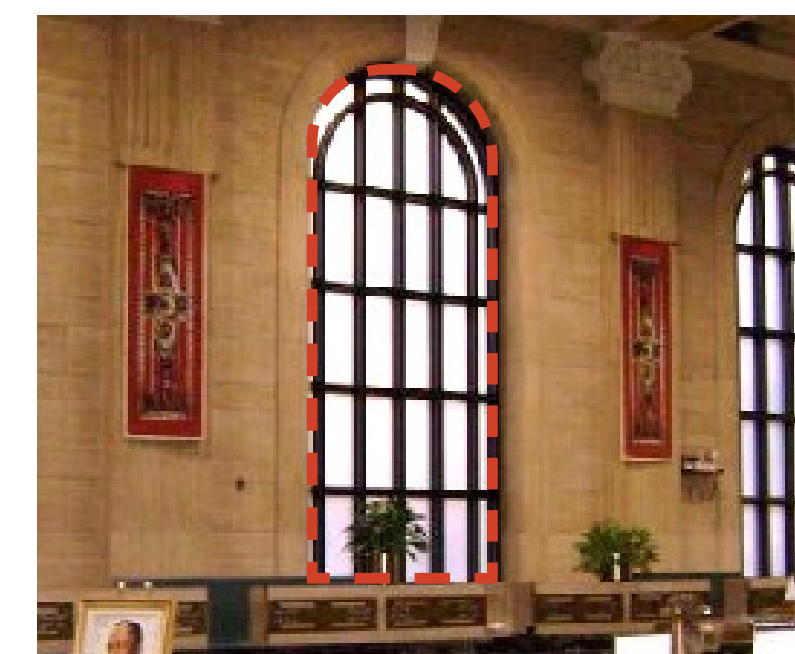

Kennedy King College, US Bank

Yale Building

Raber House, US Bank, St. Bernard Hospital

Please select the color palette you like best.

Sunset was previously selected as the most preferred based on community feedback.

IDENTIFIER DESIGN CONCEPTS

Place a sticky dot on the light pole and vertical identifier you like best or scan the QR code to fill out our survey.

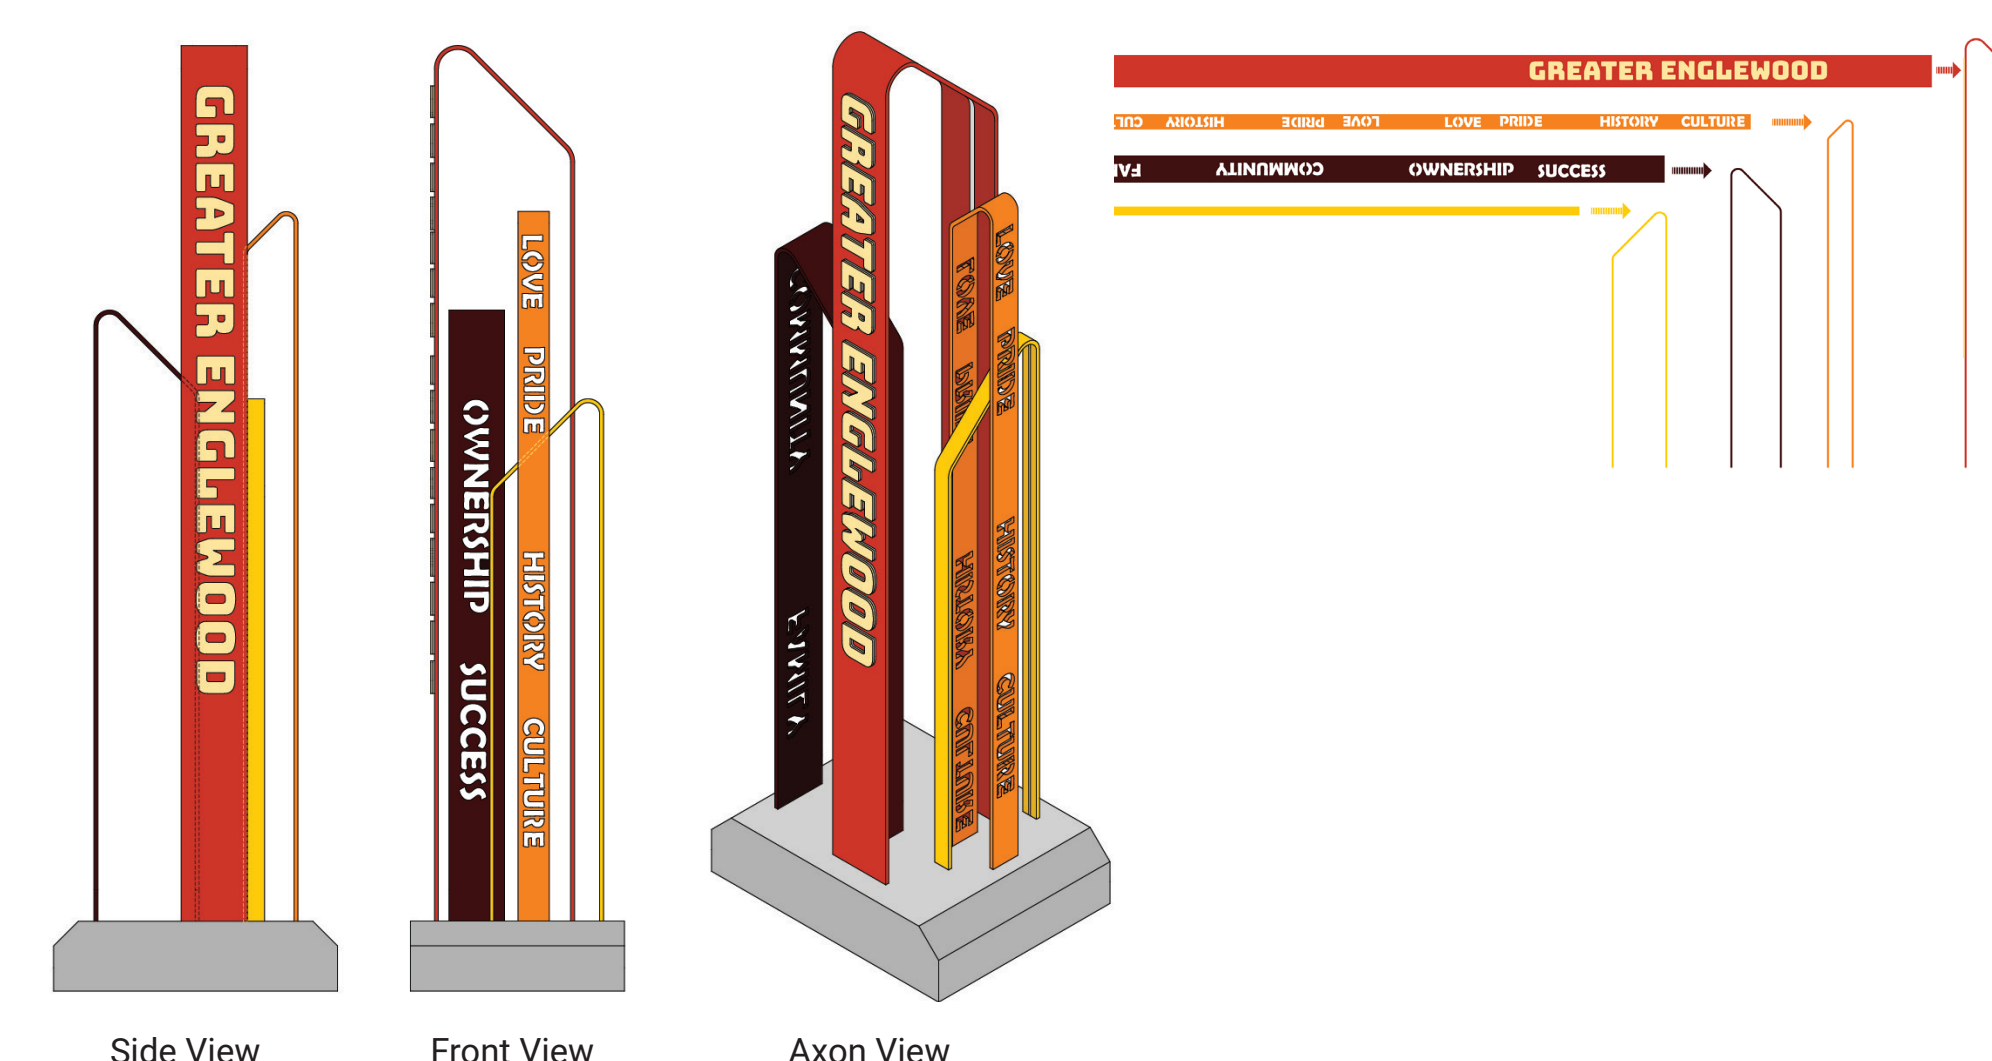

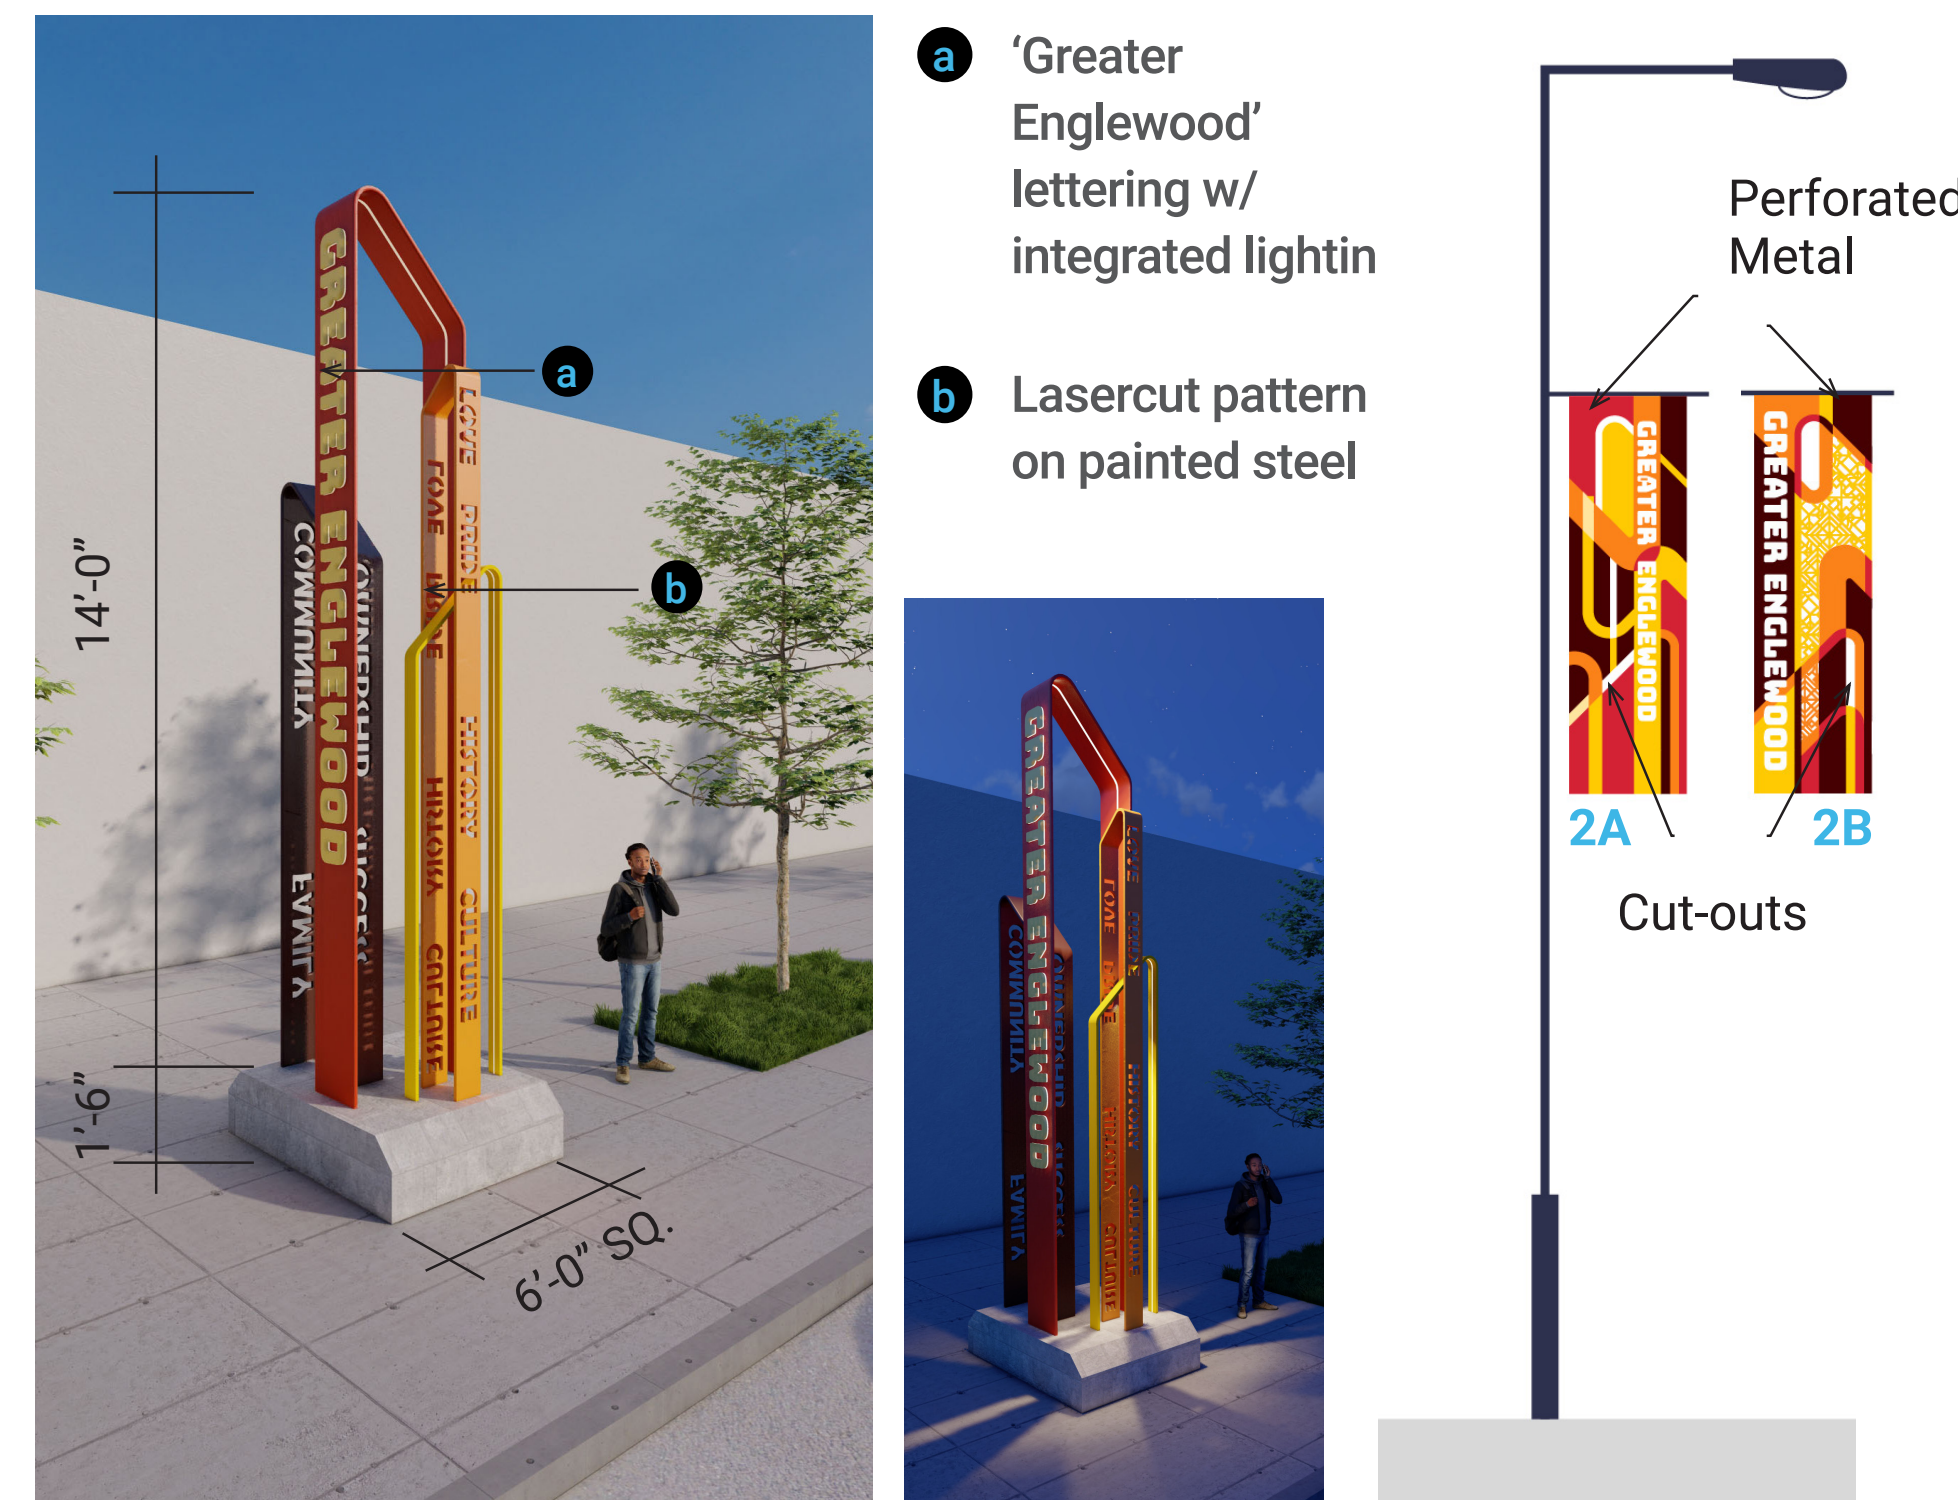

The project team developed three identifier design concepts, using the Sunset color palette, that can be used as light pole identifiers and vertical identifiers placed throughout the corridor.

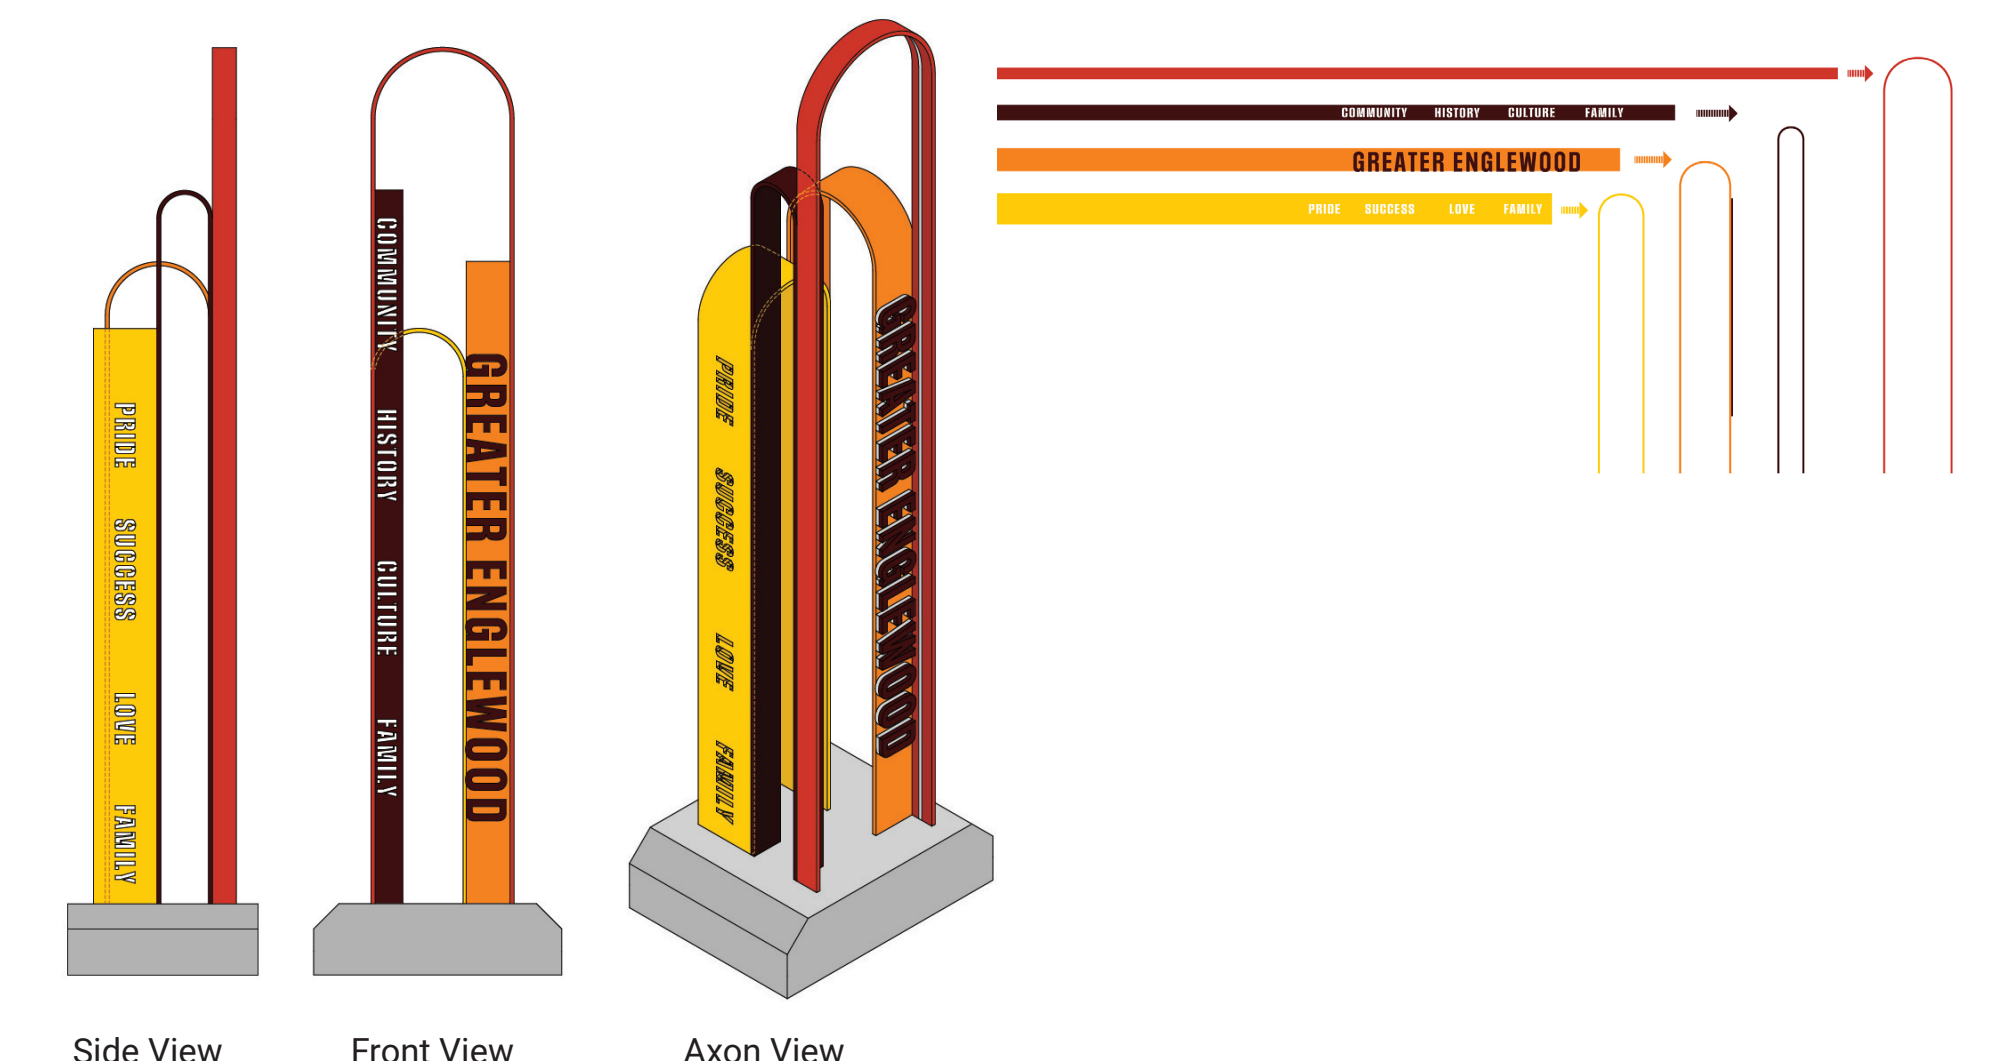

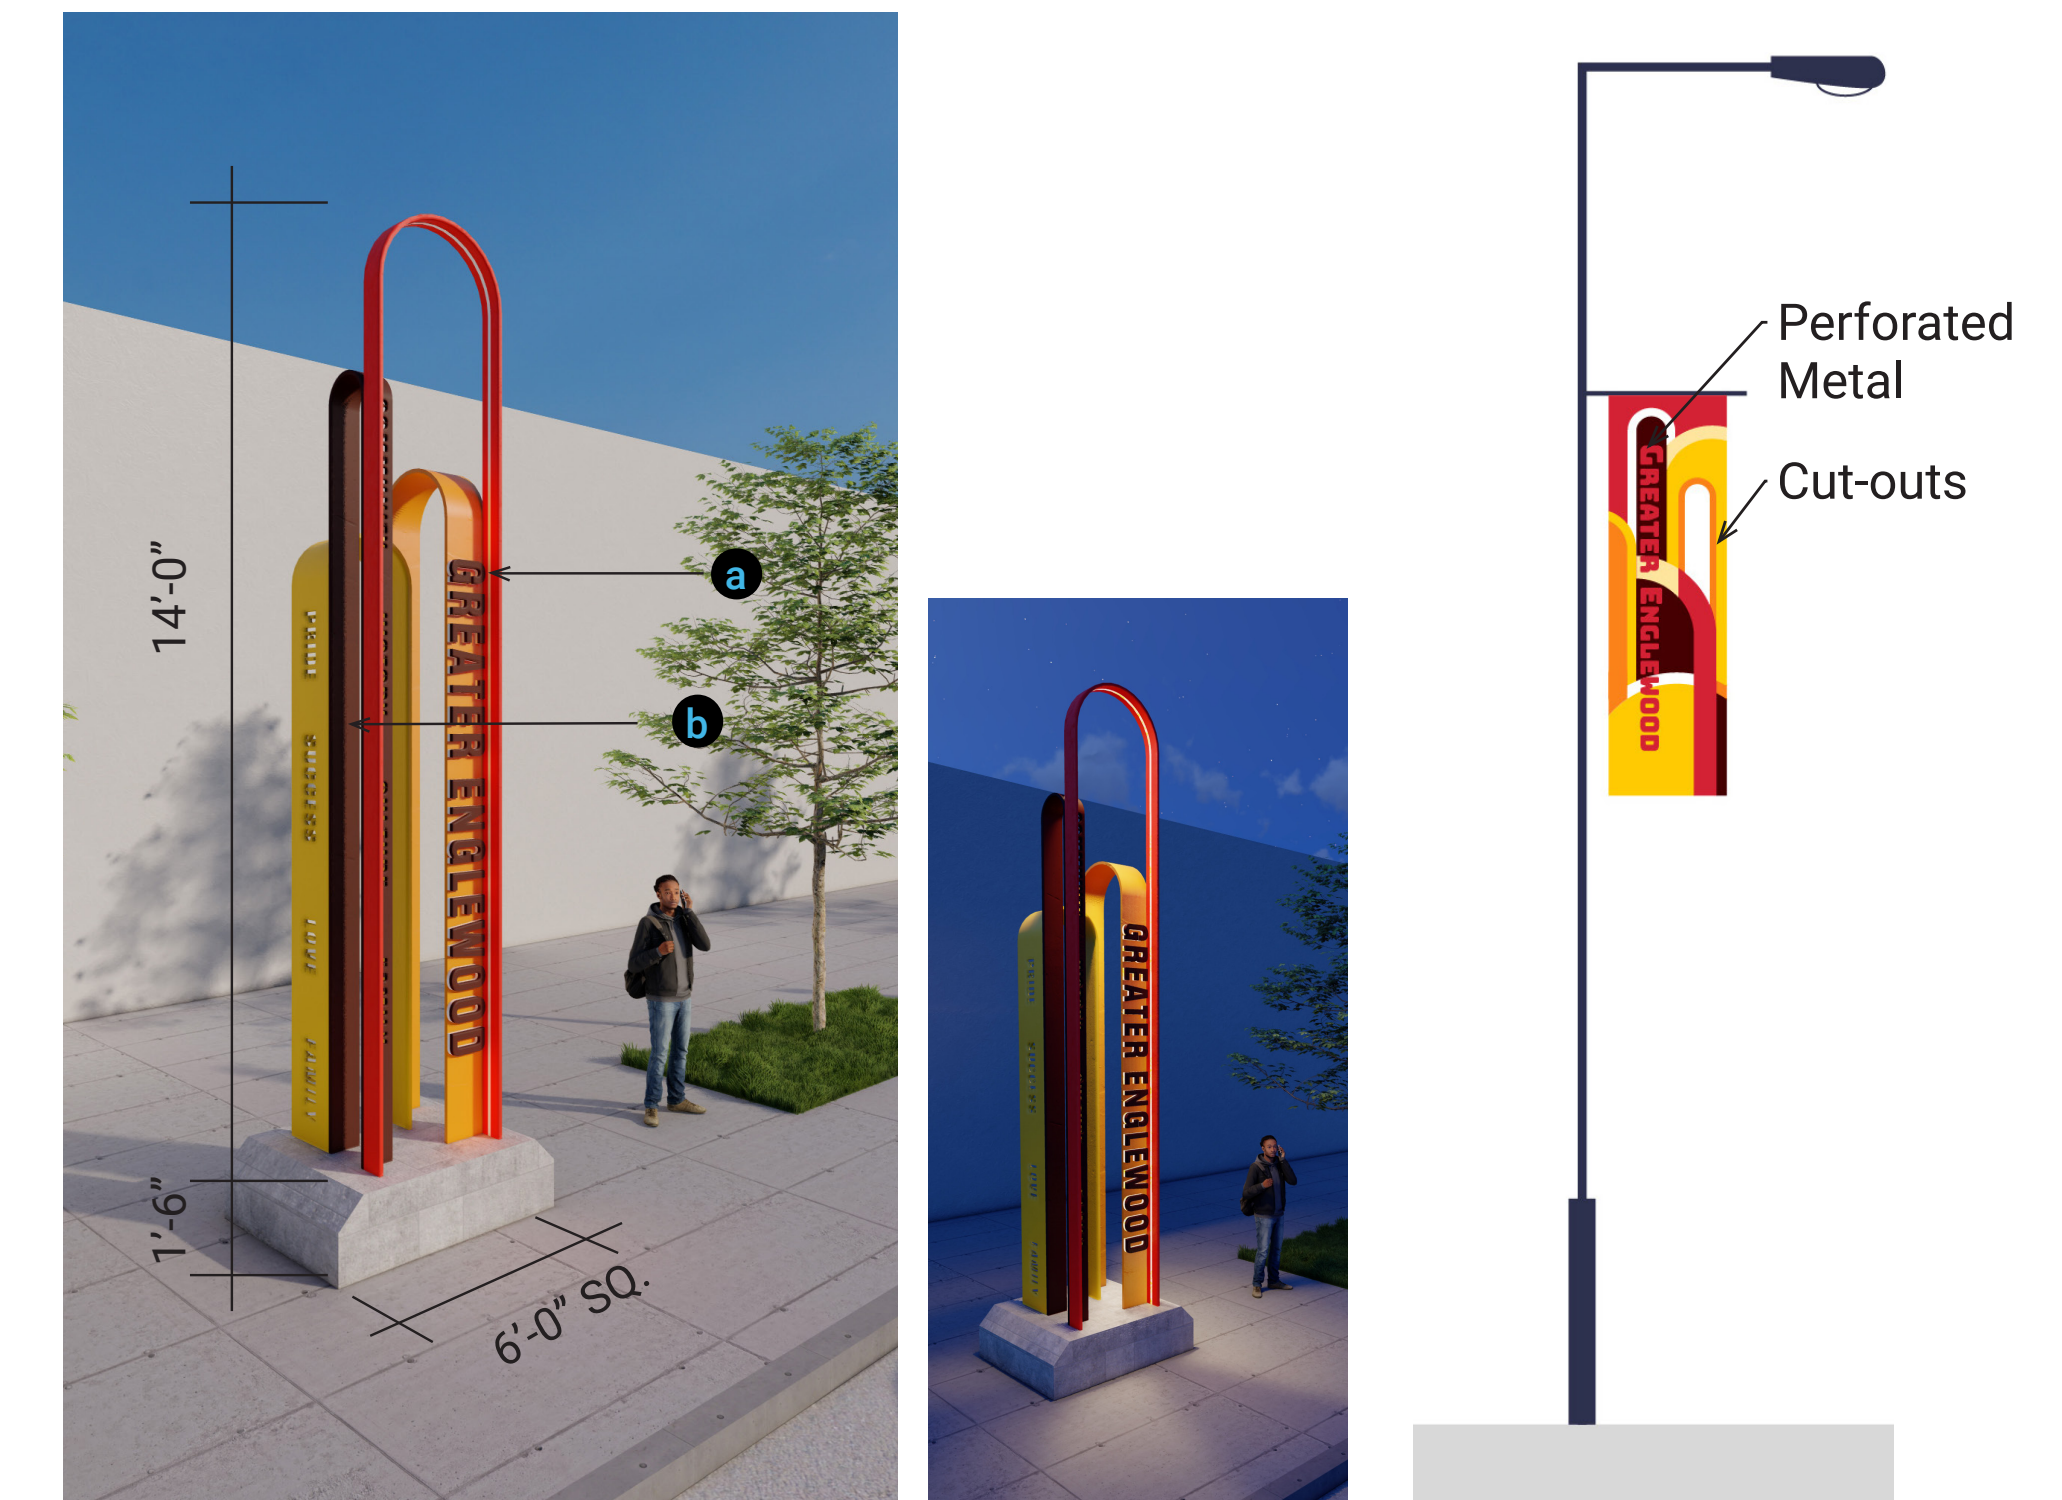

CONCEPT 1

CONCEPT 2

CONCEPT 3
