# Agenda

1. **Check in & Follow Up** [5 min]
2. **Quick Context** [5 min]
  1. Framing from 2FM (Michelle Woods, Deputy Director, 2FM)
3. **Discussion:** What operational needs do our facilities need to meet? How do we ensure our facilities align with the values underpinning alternate response? [45 min]
4. **Report out & next steps** [5 min]

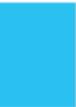

# Goals for this meeting

- Clarity around what we need from facilities that are part of alternate crisis response infrastructure

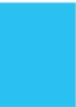

# Quick Context

# **Role of the AR Subgroup**

**Develop a suggested framework and roadmap for the City to expand non-police response for behavioral and mental health crises**

# What does it mean to talk about Alternate Response?

- **Parameters set by the Mayor and City Council**

- Focused on response for behavioral and mental health crises
- Does not center police
- Building towards city-wide service

- **Parameters set by Steering, informed by subgroup members & community consults**

- Focus on building a plan for the next 3 years with an eye towards long term vision
- Trauma informed, holistic, rooted in the experiences of its users, their families, and communities

- **Parameters set by existing infrastructure**

- Current positions are a crisis clinician and an EMT, both housed at CDPH

# Discussion: Facilities

# Situations for non-police alternate response

Situations for consideration:

- Threatening suicide
- Trespassing
- Suspicious person
- Non-violent domestic violence/low-acuity domestic call
- Stalking
- School-based disturbances
- Someone experiencing distress, not a threat to anyone but themselves
- Substance use issues
- Welfare checks
- Unhoused person in crisis
- Public disturbance/disturbance of the peace
- Anxiety or panic attack
- Response after a shooting, support to folks who are not in critical physical condition

# Discussion

- We need to have places to take and send the people who crisis response teams are helping
- We are gathering information to:
  - Understand what we'd want in ideal space for AR staff and smooth operations
  - Inform the clinical services team about what alternate crisis response needs from clinical service space

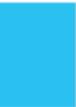

# Report Out & Next Steps

# Next Meeting

- **Office Hours: Friday, 2/16, 11AM-12PM - Virtual**
- **Meeting: Wednesday, February 21, 3-4:30PM – In Person**
