8 A report of disciplinary actions  
9 taken by the Board during the previous month  
10 has been made available on the Board's website.

11 To protect the public's health in  
12 response to the COVID-19 outbreak, upcoming

15 Microsoft Teams or other platforms that are  
16 available.

17 Is there a motion to enter a  
18 general standing order that will govern these  
19 upcoming hearings?

20 BOARD MEMBER WOLFF: This is Paula Wolff.

21 I so move.

22 BOARD MEMBER EADDY: Michael Eaddy. I  
23 second the motion.

24 PRESIDENT FOREMAN: All in favor, please

3 PRESIDENT FOREMAN: Any opposed?

4 (NO RESPONSE.)

5 PRESIDENT FOREMAN: The motion passes. A  
6 copy of this Standing Order will be posted on  
7 the Board's website.

8 Earlier this evening, the Board,  
9 as required by the Illinois Open Meetings Act,  
10 met and considered minutes and recordings of  
11 all past closed meetings to determine whether  
12 the need for confidentiality still exists.

13 The Board members unanimously  
14 agreed that it continues to be necessary to  
15 keep confidential the minutes and recordings of  
16 its past closed meetings.

17 The general orders and other  
18 directives issued by the Superintendent during  
19 the previous month are posted on the Police  
20 Department's website.

21 Next, Superintendent Brown, if  
22 you would like to give an oral report.

23 SUPERINTENDENT BROWN: Thank you so much.  
24 Good evening to members of the Chicago Police

1 Board and everyone joining us online. I truly  
2 appreciate all the participants and the  
3 dialogue that this forum provides. It has been  
4 a busy time for the Chicago Police Department.  
5 Our officers are working day and night to stem  
6 the tide of the summer violence.

7 I've passed a new group of  
8 leaders to find creative solutions to the  
9 problems of shootings and murders in our  
10 neighborhoods. A total of 19 chiefs, deputy  
11 chiefs, and commanders were sworn in as part of  
12 a ceremony held yesterday at Chicago Police  
13 Headquarters.

14 We also recognize the careers of  
15 First Deputy Superintendent Anthony Riccio and  
16 Chief of Operations Fred Waller. These men  
17 both announced their retirements after  
18 dedicating more than 30 years to this  
19 department.

20 Tony had been a trusted advisor  
21 who never forgot what it means to work the  
22 streets, and he has been a voice of reason and  
23 source of valuable insight for me in Chicago.

24 Fred has a smile that can light

1 up a room. He has inspired countless officers  
2 to go above and beyond to keep people safe.

3 These two great men in policing  
4 will be missed. But CPD has a deep, deep  
5 bench.

6 Eric Carter has taken over as  
7 First Deputy Superintendent. Carter is a  
8 28-year veteran of CPD who most recently served  
9 as first ever Chief of the Bureau of  
10 Counterterrorism and Special Operations.

11 As First Deputy, Carter will be  
12 responsible for all aspects of patrol  
13 operations used in criminal investigations.

14 Commander Brian McDermott will  
15 serve as the new Chief of Operations.  
16 McDermott will oversee the Bureau of Control  
17 which includes all 22 police districts  
18 throughout the City.

19 Commander McDermott has dutifully  
20 served the 8th, Chicago Lawn, District on the  
21 south side for the past 18 months. He  
22 previously worked as the 8th District captain.

23 These promotions and others were  
24 all made with the intent of strengthening our

1 operations while maintaining the institutional  
2 knowledge necessary to keep CPD moving forward.

3 The new additions to the command  
4 staff also represent a diverse group of  
5 individuals. They're asked to be innovative in  
6 their pursuit of public safety; this includes  
7 continuing with our residents and strengthening  
8 relationships with the community members we  
9 serve and protect.

10 Chicago needs to find fresh  
11 solutions to its ongoing problems. I'm  
12 convinced these leaders will be willing to  
13 implement the changes that will reform and  
14 modernize our department.

15 Within the coming weeks, we will  
16 build upon our efforts to ensure strategic  
17 leadership within our Department, while  
18 enhancing our community-based focus to restore  
19 trust and increase public safety.

20 Our officers and our residents  
21 deserve nothing less. Thank you for your time  
22 tonight. I look forward to hearing from  
23 everyone. Thank you, Mr. President.

24 PRESIDENT FOREMAN: Thank you,

1 Superintendent. And on behalf of the Chicago  
2 Police Board, we also would like to thank First  
3 Deputy and the Chief for all of their hard  
4 work. We've come to know each other quite a  
5 bit over the years. And I actually consider  
6 them to be friends. And their service is  
7 greatly appreciated by the City of Chicago and  
8 they will be missed.

9 Next up, I call on Chief Roberts  
10 for an oral report.

11 MS. ROBERTS: Good evening, everyone.  
12 Thank you, Mr. President. I thought I would  
13 touch on some highlights from our chief report  
14 that was just released yesterday.

15 As is pretty common knowledge, as  
16 a result of COVID, in 2019, we started this  
17 quarter under a stay-at-home order and we  
18 transitioned to remote operations. And I have  
19 to say that I think we transitioned rather  
20 seamlessly. But as a result of the  
21 stay-at-home order, COPA received an  
22 unprecedented reduction in our complaint  
23 intake. Complaints in April dropped by 42  
24 percent from the prior month. But I will say

1 during that time, we continued to take  
2 complaints remotely. We continued to remotely  
3 interview complainants, witnesses and officers.  
4 We continued to respond to FOIAs. We continued  
5 to close cases. We closed 75 cases with  
6 findings of -- 27 of those were sustained  
7 findings. We continued to issue disciplinary  
8 recommendations. In this last quarter, we  
9 saw -- are seeking termination in eight cases.  
10 We completed seven transparency releases of  
11 officer-involved shootings. And we also  
12 concluded six officer-involved-shooting  
13 investigations, three of which resulted in  
14 sustained findings.

15 Just as the stay-at-home order  
16 was about to be relaxed, the City was  
17 responding to the death of George Floyd and our  
18 complaints skyrocketed.

19 By June, our complaints had  
20 increased by 112 percent over the prior month  
21 of May. In response to the protest and the  
22 ensuring complaints, we created a specialized  
23 team to investigate. The most egregious of  
24 those complaints, we referred five complaints

1 to the Cook County State's Attorney's Office  
2 and the Federal Bureau of Investigations. We  
3 requested a total of eight officers be relieved  
4 of their police powers during the pendency of  
5 our investigation, and we maximized our  
6 transparency efforts and created a dedicated  
7 protest complaint data portal on our website to  
8 not only provide information about the number,  
9 type and location of the complaint, but to  
10 provide updated information on our  
11 investigative efforts.

12 This data portal is being updated  
13 on a weekly basis. To date, COPA has received  
14 414 protest-related complaints. 245 have been  
15 referred to the Bureau of Internal Affairs.  
16 COPA presently has 138 pending investigations  
17 related basically to the protest. I encourage  
18 everybody to visit our website at  
19 [WWW.ChicagoCOPA.org](http://WWW.ChicagoCOPA.org).

20 In addition to finding  
21 information about our quarterly report and  
22 protest complaint data, there's just general  
23 information about how COPA operates and our  
24 investigative outcomes. Thank you.

1           PRESIDENT FOREMAN: Thank you very much,  
2 Chief.

3                         The Police Board, as authorized  
4 by The Open Meetings Act, has considered in a  
5 closed meeting one disciplinary case. The  
6 Board will now take final action on the case.  
7 Regarding case number 20 PB 2969, the  
8 Superintendent filed charges against Police  
9 Officer Patrick Cain, recommending that he be  
10 discharged from the Chicago Police Department  
11 for stalking and verbal abuse. The  
12 Superintendent subsequently moved to withdraw  
13 these charges because the respondent resigned  
14 his position with CPD. Is there a motion to  
15 grant the Superintendent's motion?

16           BOARD MEMBER WOLFF: This is Paula Wolff.  
17 So moved.

18           BOARD MEMBER EADDY: Michael Eaddy.  
19 Second.

20           PRESIDENT FOREMAN: All in favor?

21                                 (CHORUS OF AYES.)

22           PRESIDENT FOREMAN: Any opposed?

23                                 (NO RESPONSE.)

24           PRESIDENT FOREMAN: The motion passes.

1 This order will be entered as of today's date  
2 and will be issued to the parties and will be  
3 posted on the Board's website.

4 I will now call upon members of  
5 the public who signed up in advance to speak.  
6 Each speaker will be unmuted after I call his  
7 or her name. The first speaker -- and speakers  
8 you will have two minutes. I will turn on the  
9 timer. The first speaker, Willie O.

10 MR. WILLIE O: Good evening, everybody.

11 PRESIDENT FOREMAN: Good evening.

12 MR. WILLIE O: I'm going to get straight to  
13 the point. I'm a beat facilitator in the 6th  
14 District, co-beat facilitator. And I was at a  
15 social gathering the other day and the question  
16 came up, What does the police do? What is  
17 their job? So one person said that the police  
18 do not permit crime, they report crime. So,  
19 you know, my three years in the military during  
20 the Vietnam years, you would always get  
21 somebody to -- some member to volunteer for  
22 covert operations. Somebody would take it. I  
23 know it is a dangerous job. But what we need  
24 is somebody to -- some policemen to actually

1 live in the community and to interact with the  
2 people on the block and try to prevent these  
3 shootings and these killings from occurring.  
4 They will have a firsthand knowledge.

5 Like I said, probably will take  
6 me two minutes to explain this. So that is my  
7 suggestion with the police decree and the way  
8 they should do community policing. Thank you.

9 PRESIDENT FOREMAN: Thank you very much.  
10 Superintendent, do you want to talk about some  
11 of the efforts that you're looking at right  
12 now?

13 SUPERINTENDENT BROWN: Yeah. We're  
14 increasing our response by convening a larger  
15 group of officers to deal with some of the  
16 violence that we see. And the uniqueness of  
17 this is we're going to require them at my  
18 direction to do community-service projects.  
19 They've already begun doing this. They've done  
20 PPE handout for people in the community where  
21 they're trying to tamp down the violence,  
22 handing out PPE. They have delivered meals to  
23 the elderly with some of the nonprofits. And  
24 they are also participating in some of the

1 peace marches that some of these communities  
2 are convening in these areas to try to send a  
3 message that the community and police are  
4 working together. So we're really excited  
5 about this new collaboration with the  
6 community. This team is going to be called The  
7 Community Safety Team. There will be upwards  
8 of 400 officers that are going to be in the  
9 areas.

10 One of the things we've seen in  
11 the past several weeks is that we get  
12 outnumbered with some of these large parties.  
13 Some of these large parties are hundreds and  
14 hundreds of people out for various reasons and  
15 then the gang conflicts put innocent people in  
16 the crossfire. And so we just need in to be  
17 able to collaborate with the community much  
18 more and respond to those.

19 So I'm hearing the listener  
20 about, you know, being involved in the  
21 community more, maybe living in the community,  
22 and some of our officers do live in the  
23 community. Many of our officers are born and  
24 raised on the west side and south side. Many

1 of them still live in the area. So we have  
2 that piece already covered, we just need more  
3 collaboration and a bigger footprint  
4 collaboration with our residents.

5 PRESIDENT FOREMAN: Thank you. Next  
6 speaker is Lou P. Lou, it's your time. You  
7 can speak.

8 MS. LOU P.: Hello?

9 PRESIDENT FOREMAN: We can hear you. You  
10 can go ahead.

11 MS. LOU P.: My name is Lou. What's your  
12 name?

13 MS. GLORIA: Gloria.

14 MS. LOU P.: We live in the 800 block east  
15 on 87th Place here in the City on the south  
16 side. And it has been mayhem and bedlam since  
17 the pandemic. And we've been calling 911.  
18 We've gone to the alderman. We've gone to CAPS  
19 to try to get help. We can't sleep at night.  
20 It's a lot of partying. Shootings galore.  
21 People galore. We just need help.

22 MS. GLORIA: These people party from 6:00  
23 o'clock in the afternoon until 5:00 o'clock in  
24 the morning. Loud, racist, awful music. Music

1 that you wouldn't want to hear in your own  
2 ears. And this goes on until 5:00, 6:00  
3 o'clock in the morning.

4 MS. LOU P.: And we predominantly an  
5 elderly block. Elderly people.

6 MS. GLORIA: We don't have any really teens  
7 on the block, but what comes over here is young  
8 ages between 18 and, say, 30. And they take  
9 the whole entire block. It's full of cars.  
10 There's so much trash. We get up in the  
11 morning, there's trash from one end of the  
12 block to the other one, beer bottles, paper  
13 cups, food bags, you name it, littered on the  
14 street every single day. This doesn't happen  
15 once a week. This is every night.

16 MS. LOU P.: We've had so many shooters,  
17 it's unreal. So many shooting incidents.  
18 We've been constantly calling 911. We've been  
19 calling Section 8. We've been calling CAPS 632  
20 headquarters. It's just ridiculous.

21 MS. GLORIA: What options do we have to  
22 stop the noise, stop the people that don't live  
23 on this block? They just drive over here car  
24 after car after car and liter up our streets

1 and play loud music.

2 MS. LOU P.: And shoot.

3 MS. GLORIA: And shoot.

4 PRESIDENT FOREMAN: Thank you.

5 Superintendent?

6 SUPERINTENDENT BROWN: Again, I have to  
7 re-emphasize one of the things -- I started the  
8 job 12 weeks ago, right at the point where we  
9 had reorganized the structure of the Chicago  
10 Police Department into five areas, which made  
11 each area have a smaller group than the  
12 previous three areas, and quickly realized from  
13 what the callers are expressing, there's  
14 multiple parties throughout the south side and  
15 west side, similarly having same kinds of  
16 problems of these very large crowds, several  
17 hundred people. And it is every day of the  
18 week where the pre-COVID, pre-George Floyd  
19 reorganization had to be amended just based on  
20 what your calls are saying, which really  
21 prompted me to convene a large group of  
22 officers that would deploy in a way that we  
23 could actually pre deploy and prevent the crowd  
24 from getting that large. So soon to come. And

1 there's a lot of contractual things that had to  
2 be worked out during the 12 weeks I've been  
3 here to make this change happen. You have to  
4 change to get a large number of officers to  
5 deal with some of the issues that your calls  
6 are bringing up.

7 It's unprecedented times where  
8 people are doing some of the things that you  
9 callers are mentioning. And we need a larger  
10 police response, but with the community as a  
11 collaboration, not as an occupying force.

12 PRESIDENT FOREMAN: Thank you very much.  
13 Next speaker, Matt Brandon.

14 MR. BRANDON: Good evening. And I'd like  
15 to first congratulate the new appointees, First  
16 Deputy Eric Carter and Brian McDermott, the new  
17 chief of patrol, and congratulations to Fred  
18 Waller. I've known him for years. Knew him  
19 when he was a young policeman and heck of a  
20 guy. And congratulations, Fred, on your  
21 retirement.

22 You know, just some observations  
23 and recommendations tonight. Not a whole lot.

24 And I think you feel the

1 frustration of the people who have called in on  
2 exactly how our communities are being serviced.

3           There's a sense that there's not  
4 service that's being given to our communities.  
5 You know, we participate in CAPS. We call the  
6 police. And we know it's a rough time for the  
7 police, but there's got to be a strategy to  
8 eliminate, particularly these neighborhood  
9 parties.

10           And, Superintendent, I hear it's  
11 a matter of numbers. But something's got to be  
12 done. And the community can't go out and face  
13 a mad group of people or else, you know, that  
14 creates a dangerous situation. And you don't  
15 want vigilantism to occur in our communities.  
16 That's what that would lead to.

17           A couple of recommendations for  
18 our new CAPS commander and congratulations to  
19 Angel Novalis. We look forward to working with  
20 him, along with Chief of Patrol McDermott to  
21 address some of these issues.

22           I would like to ask Commander  
23 Novalez to consider going on some of these CAPS  
24 calls unannounced, just to listen in, just to

1 hear what the people feel. What answers they  
2 get when they ask these questions. I think  
3 that would be a good way for him to really put  
4 his finger on the pulse of how these CAPS  
5 meetings are failing, and he could get some  
6 idea of how to proceed from there.

7                   And Chief of Patrol McDermott, we  
8 hope to be able to have the accessibility to  
9 you that we had to Chief Fred Waller.

10                   And, Superintendent Brown, you  
11 got a tough job. Looking forward to working  
12 with you. And thank you very much.

13                   PRESIDENT FOREMAN: Thank you. Next  
14 speaker is, June Norfleet. Ms. Norfleet, are  
15 you there?

16                   We may be having technical  
17 difficulties. I'll move to the next speaker.  
18 Ms. Norfleet, I'll try to call on you again.

19                   The next speaker we will go to is  
20 Jennifer Edwards.

21                   MS. EDWARDS: Good evening, everyone. I  
22 want to congratulate Mr. Willie O and Lou,  
23 they're some of our organizers. I'm so happy  
24 they called in. Met them on CAPS meeting

1 calls.

2                   One of our goals is to increase  
3 community participation at beat meetings in the  
4 CAPS programs. We noticed that each district  
5 runs their meetings differently, 3rd and 6th  
6 Districts. Our goal is bring communities  
7 together in the same bordering wards and teach  
8 residents how to effectively report problems.  
9 We've researched the CAPS strategy and  
10 partnership problem-solving publication from  
11 the CPD education and training division and  
12 find that the model is different than what's  
13 practiced.

14                   Since we've recruited various  
15 community organizations stressing the  
16 importance of attendance at the CAPS meetings,  
17 attendance has increased even in virtual  
18 meetings. We suggest allowing virtual contact  
19 after meetings return to in-person attendance.

20                   Some of our concerns are, one:  
21 Who conducts the meetings? CPD, community  
22 members, beat facilitators or a combination?

23                   Number two: Strategies discussed  
24 that are not followed through; examples, foot

1 patrol and beat integrity.

2                   Number three: Excluding groups  
3 of community stakeholders. Not allowing  
4 community members at business meetings.

5                   Number four: The frequency of  
6 meetings and locations. We suggest various  
7 community locations, varied days and weekend  
8 meetings. Excluding necessary police personnel  
9 that could answer questions about crime  
10 pattern; examples, detectives and tactical  
11 officers.

12                   Number six: The physical info  
13 given. Should report details of crimes solved,  
14 arrests made, crime pattern.

15                   Number seven: Instead of the  
16 number of calls to service, we should include  
17 the number of calls serviced and a comparison  
18 of the number of 19 call-coded calls that were  
19 not answered. This was reported because of the  
20 high number of calls placed by community  
21 members that are not answered.

22                   I have a question for  
23 Superintendent Brown. Is it possible to get a  
24 report of the 19 call -- coded calls in our

1 districts?

2 SUPERINTENDENT BROWN: I'll wait for you,  
3 Ghian.

4 PRESIDENT FOREMAN: Go ahead.

5 SUPERINTENDENT BROWN: Ma'am, yes, there  
6 is. And I'll make sure I get with the new  
7 Commander Novalez to make sure you get the  
8 information you requested.

9 PRESIDENT FOREMAN: Superintendent, can I  
10 also make a suggestion? That I can pass your  
11 information along. We've been working with Ms.  
12 Edwards and Ms. Norfleet and Mr. Brandon for a  
13 while. They typically come with some good  
14 research and some good ideas. It could be a  
15 good idea for CPD to work with this community  
16 group to see if there is a way to improve CAPS.  
17 They may have some good suggestions, and this  
18 could be a good way of the community working  
19 hand in hand with CPD. So I'll make that  
20 connection.

21 And, Ms. Edwards, I know that you  
22 sent over some of your written comments. I'll  
23 make sure that we get that to the  
24 Superintendent as well. I'm going to come back

1 to Ms. Norfleet.

2 MS. NORFLEET: Thank you so much. And,  
3 yes, those technical difficulties continue to  
4 plague us even though this is part of the new  
5 norm.

6 Good evening, everybody. I do  
7 have my written comments and you -- and I thank  
8 you, President Foreman. Hopefully you will  
9 pass those on to the Board and to the  
10 president.

11 But I just want to quickly say  
12 and underscore the angst that my neighbors to  
13 the east -- it was just painful to listen to  
14 those who have worked all their lives who have  
15 sacrificed to live in their homes and to feel  
16 uprooted.

17 I encouraged them -- if there's  
18 any way, President Foreman, you can help us get  
19 in contact with those neighbors, please help  
20 us. Perhaps we can band together and we can be  
21 of assistance in our problems over here in  
22 Grand Crossing as well as those in South Shore.

23 Further, two of my comments that  
24 are prepared, I'm asking the Superintendent,

1 will you please not dismantle the CART program,  
2 which is the Community Action Response Time. I  
3 understand that your new team is going to be  
4 called Community Safety Team. I'm somewhat  
5 troubled that it's going to take ten months for  
6 us to get this group up and running, but I'm  
7 wishing you Godspeed and hopefully that we can  
8 do it in advance.

9                   And, finally, I would like for  
10 someone on the Board to tell us what is the  
11 status of the cadet program. If you cannot  
12 answer my question during this session, I do  
13 hope that you will be able to present this  
14 information to us during the next session in  
15 August.

16                   The Board, you are the board of  
17 directors for our CEO, who's the Superintendent  
18 of Police. The service and the product that  
19 you are trying to provide to this community is  
20 peace and your rival company is anarchy.

21           PRESIDENT FOREMAN: Superintendent, would  
22 you like to talk about the CART program?

23           SUPERINTENDENT BROWN: The CART team on the  
24 west side is staying in place. And we're

1 trying to figure out where to put a CART team  
2 on the south side to stay in place as well.

3 The Community Safety Team that I  
4 mentioned will not take eight months. It will  
5 be fully staffed and working on the 23rd of  
6 this month.

7 So we hope to address community  
8 problems with a larger footprint and  
9 collaboration with the community starting the  
10 23rd.

11 PRESIDENT FOREMAN: Superintendent, I'll  
12 make sure that you get the recommendation of  
13 the cadet program. I can't remember if we've  
14 given it to you or not, but I will make sure  
15 you get it. A good recommendation, and so I'll  
16 make sure that you get that.

17 The Board, we can make a  
18 recommendation, we can pass it along. You  
19 know, it's something that wouldn't operate out  
20 of the Board, it would be something that would  
21 operate, you know, with the conjunction of CPD.

22 So, Ms. Norfleet, I will make  
23 sure that I pass that information along to the  
24 Superintendent.

1                   Next speaker, Kaitlyn Kooyers.

2           MS. KOOYERS: Hi. This is Kaitlyn. Can  
3 you guys here me?

4           PRESIDENT FOREMAN: Yes, ma'am.

5           MS. KOOYERS: My question just surrounds  
6 research-based policy solutions for reforming  
7 the Chicago Police Department.

8                   I know that there's a number of  
9 reforms that were proposed in 2017 and their  
10 deadlines have been missed.

11                   Some of the research-based policy  
12 solutions that are suggested include ending  
13 broken windows policing, decriminalizing minor  
14 activities, increasing or having unconscious  
15 bias testing and training, ending for-profit  
16 policing, demilitarizing the police and  
17 removing unfair protections of police officers  
18 and renegotiate those contracts with police  
19 unions.

20                   Just curious if this Board is  
21 advocating for any of these policy changes and  
22 if not, why?

23           PRESIDENT FOREMAN: The Board is  
24 actually -- we are undertaking our -- looking

1 at some of the previous reports that have been  
2 done, as well as we are doing our own research  
3 in terms of some of the best practices, and the  
4 Police Board has the ability to make  
5 recommendations for policy decisions, so we're  
6 taking a good look at it, not only the Chicago  
7 Police Department but what's happening around  
8 the country, to see what are some of the  
9 changes that we could be recommending.

10 This is challenging, because we  
11 have the federal monitoring team right now for  
12 the Consent Decree, so the change is taking  
13 place inside COPA. Changes inside the Police  
14 Department and changes inside CPD.

15 So in order for us to really get  
16 a good grip on everything and to make sure that  
17 we're not -- one group is not doing something  
18 that's contra to another group, we do meet  
19 quarterly, and so this is something that we're  
20 actually looking into right now.

21 So I absolutely thank you for  
22 bringing this up. We invite you to come back  
23 to future Board meetings and hopefully we can  
24 continue to provide some good updates.

1 MS. KOOYERS: Okay. Thank you.

2 PRESIDENT FOREMAN: The next speaker is  
3 Laurice Suttle.

4 MS. SUTTLE: Good evening to everyone who  
5 joined the call and welcome to Chicago,  
6 Superintendent Brown.

7 My name is Laurice Suttle. I'm  
8 24 years old. I reside on the east side of the  
9 City in South Shore, 7th Ward community, and  
10 since I only have two minutes to speak, I just  
11 want to say, although I've attended almost  
12 every Police Board meeting since June of last  
13 year, I have never spoken until tonight. And  
14 moving forward, that will change.

15 Effective constitutional  
16 policing, earning public trust, equitable  
17 police policies, transparency, public and  
18 officer safety and police accountability must  
19 be priorities of this Police Department and all  
20 police reform agencies in the City of Chicago,  
21 State of Illinois and across the country moving  
22 forward. Not in theory but in practice,  
23 because, really, enough is enough.

24 Recent news and reactions from

1 political leaders and community leaders across  
2 the nation in relation to racism and police  
3 violence deeply moved me but it also concerns  
4 me.

5 I was adopted and raised by my  
6 paternal grandmother, Flora Suttle, who is a  
7 retired Chicago Police agent. I graduated from  
8 Illinois State University in December of 2018  
9 earning my bachelor's of science in political  
10 science and minors in women and gender studies  
11 and sociology.

12 When I was 15, my father, Derrick  
13 Suttle, was fatally shot by an off-duty Chicago  
14 police officer five days before my golden  
15 birthday, down the street from our house, with  
16 his wife.

17 The officer has still yet to be  
18 held accountable for violating my father's  
19 constitutional rights 34,078 days later.

20 My father's life matters. As I  
21 continue to move through the world knowing that  
22 my biggest responsibility is to remain  
23 thoughtful, aware where I came from, and  
24 recognize that I didn't disappear and find my

1 own voice.

2 So now I just want to take the  
3 time to recognize the South Shore Chamber of  
4 Commerce, Chicago 200, the NAACP, especially  
5 the youth and college division, Peoria and  
6 Chicago's west and south side branches,  
7 Illinois Caucus for Adolescent Health, Moms  
8 Demand Action, especially Hyde Park's chapter,  
9 Spending Money Saves Lives, January 2020 CPD  
10 Cadet --

11 PRESIDENT FOREMAN: Sorry, Ms. Suttle, your  
12 time ran out. I apologize. I thank you for  
13 your participation.

14 Superintendent, Ms. Suttle has  
15 been present at every Board meeting I can  
16 really recall. First she came, really didn't  
17 want to say too much. And more and more as we  
18 heard today she's absolutely a real advocate.  
19 When we get an opportunity to meet in person, I  
20 would absolutely encourage you to get a chance  
21 to know her. She is a really sharp, young  
22 woman. And it is the kind of voice we want to  
23 make sure is heard and that she really gets an  
24 opportunity to make a difference in the City.

1 Next speaker, CPD Transparency.

2 MR. CPD TRANSPARENCY: Hello, again.

3 There's a recent quote in the news that sums up  
4 why CPD can't reform itself. It's by Garry  
5 Kasparov, quote, "As I've written for years  
6 about the Putin regime comparing it to a mafia,  
7 the core is loyalty. Any crime is fine, from  
8 obstruction to treason to murder, if you're  
9 sure the big boss can and will shield you from  
10 consequences." Gary Kasparov. That is the  
11 same conclusion Jamie Kalven came to in Code of  
12 Silence about the Chicago Police Department,  
13 internal affairs.

14 The bosses of CPD have made so  
15 many dirty side deals to get where they are,  
16 that practically no cop is ever punished, no  
17 what matter what the cop did.

18 Did you see the video snippet of  
19 Eddie Johnson shit-faced staring hard at the  
20 young cop pressing the big boss card to the  
21 glass and the only thing the cop does is wish  
22 him good night?

23 The Police Board didn't bring  
24 about the Consent Decree. The Consent Decree

1 was dead. Lori Lightfoot said it was dead.  
2 Dean Angelo was barrel laughing. Donald Trump  
3 had been elected. Ask yourself what case is  
4 the CPD hiding? The cases that caused the  
5 Consent Decree.

6 Barbara West will not even admit  
7 that everyone has an inalienable First  
8 Amendment right to record in public. You can't  
9 prove anything without video. That's why CPD  
10 hates cameras. Also, ask Ms. West why her  
11 nickname is Pillows.

12 I quoted Kasparov because he  
13 explained why it takes internal affairs years  
14 to write third-grade level reports full of  
15 lies. No boss can say anything, see anything  
16 or do anything, because they owe their power to  
17 dirty side deals with other bosses. Kalven  
18 understood it, Kasparov understood it, and  
19 Black Lives Matters understands it.

20 The Consent Decree is not going  
21 to solve this complex of mafia bosses.

22 My YouTube channel is Chicago PD  
23 Transparency.

24 One more thing. Ed Siskel's name

1 is misspelled in last month's transcript. Ed  
2 Siskel is Rahm Emanuel's lawyer. Relative of  
3 Gene Siskel, Siskel and Ebert. S-I-S-K-E-L.  
4 Thank you.

5 And my speech is -- it's on that  
6 website I just gave you, the YouTube channel,  
7 if you want the transcript. That's my comment.  
8 Thank you very much.

9 PRESIDENT FOREMAN: Thank you. Next  
10 speaker, Reagan Fitzgerald Peabody. Reagan  
11 Fitzgerald Peabody. Okay.

12 Next speaker, David Dewar.

13 MR. DEWAR: Good evening. My name is David  
14 Dewar. I live in the 19th Ward. I ran for  
15 alderman. And I do support good policing.  
16 Unfortunately, that didn't happen to me in  
17 2014. I was falsely arrested by my connected  
18 neighbor, William Hosty. The police came out,  
19 falsely arrested me. A civil rights judge  
20 found that I was falsely arrested. To add  
21 insult to injury, a year later the police came  
22 out with six police officers in the 19th Ward,  
23 22nd District, to arrest me again.

24 I had just left the house. They

1 retrieved a basketball. Stayed 30 minutes.

2 This has got to stop. Until this  
3 point, I have not released the 300 pages of  
4 documents which I was not allowed to present in  
5 my jury trial as a pro se on December 2nd and  
6 3r, and the reason why I have not presented is  
7 because I fear for my life and my mom. But  
8 things need to change, so I am going to present  
9 it to Jonathan Conan, one of the chief  
10 investigators at COPA, the Inspector General,  
11 and what it's going to do, it's going to show  
12 exactly how for years the police have falsified  
13 police reports, evidence, and they've arrested  
14 and framed people to go into prison.

15 And I hope that the Chicago  
16 Police Board takes this seriously, to use this  
17 as a template where we can have true  
18 accountability, where these police officers  
19 Felmon and Devine and this political-connected  
20 William Hosty will not be able to frame people  
21 and utilize the police as a weapon as they did  
22 against me and my mom. Thank you.

23 PRESIDENT FOREMAN: Next speaker Robert  
24 More.

1 MR. MORE: Yeah, Mr. Foreman, can you hear  
2 me? I got two phones. Is that all right?

3 PRESIDENT FOREMAN: No, it's not okay. Mr.  
4 More, you have to mute one of the phones.

5 MR. MORE: Let me call back.

6 PRESIDENT FOREMAN: Okay. We lost Mr.  
7 More.

8 MR. MORE: Mr. Foreman, can you hear me?

9 PRESIDENT FOREMAN: Yes.

10 MR. MORE: Okay. So my 120 seconds start  
11 right now. Thank you.

12 First, I do recognize the effort  
13 to try to get the balls in the air and get this  
14 coordinated.

15 First of all, what I'm demanding  
16 is that there be some provision for video  
17 capture of the chief policy-maker, which is the  
18 Superintendent, in terms of when a question  
19 comes in so the public gets the same benefit of  
20 being able to assess his demeanor as in a  
21 Police Board meeting. So I'm sure there's some  
22 type of video capture that can be put and kept  
23 on the Superintendent every single meeting  
24 throughout the year.

1                   Mr. Superintendent Brown, do you  
2 know what a -- when I say what a Reichstag fire  
3 is? When people refer to in the (inaudible) a  
4 Reichstag fire, do you know what we mean by a  
5 Reichstag fire?

6           PRESIDENT FOREMAN: For the sake of time,  
7 why don't explain a Reichstag fire.

8           MR. MORE: Okay. Real quick. It's Problem  
9 Reaction Solution. Adolf Hitler was -- had  
10 almost no power. One vote, he won a three-way  
11 election as chancellor. They burned down the  
12 Reichstag, claimed that the communists were  
13 attacking, federalized and militarized the  
14 police, and over night by August he was  
15 president. He took over the whole thing.

16                   This COVID-19 -- I don't know  
17 what happened to George Floyd, but the response  
18 to George Floyd, this is all orchestrated  
19 from -- it's not just deep state, it's super  
20 cloud cover manipulation of the Committee of  
21 300.

22                   I'm demanding that the  
23 investigation not stop below the cloud. It's  
24 got -- someone is paying the U-Haul trucks to

1 drop off the bricks and the hotel bills and the  
2 food and all the rest of these costs and paying  
3 people to perpetrate this violence.

4 I have to demand that the  
5 investigation go all the way to George Soros in  
6 the Committee of 300. Subpoenas must be -- you  
7 got to get subpoenas through a Grand Jury. Get  
8 a Grand Jury and get subpoenas issued for a  
9 legitimate investigation, both state and a  
10 federal level, of what's really behind  
11 these -- there's a manual of these crises that  
12 they are producing because they feel they are  
13 not going to get the five --

14 PRESIDENT FOREMAN: Thank you very much,  
15 Mr. More. Sorry your time is up.

16 And, Mr. More, thanks to CAN-TV,  
17 we will actually have this videotaped so you  
18 can actually get the demeanor.

19 Before we adjourn,  
20 Superintendent, I notice you are wearing a  
21 different uniform than what we are normally  
22 used to seeing you in a suit. Can you explain  
23 that to us, please?

24 SUPERINTENDENT BROWN: Yes. So I met all

1 the qualifications for the State of Illinois to  
2 be a police officer of the Chicago Police  
3 Department, so I'm finally in the  
4 Superintendent's police uniform. And I'm  
5 really proud to be associated with the  
6 Department as Superintendent and wear the  
7 uniform. Really proud.

8 BOARD MEMBER CROWL: Congratulations.

9 PRESIDENT FOREMAN: Congratulations.

10 SUPERINTENDENT BROWN: Thank you.

11 PRESIDENT FOREMAN: At this time, all  
12 members of the public who signed up to speak  
13 have been called.

14 Is there a motion to adjourn?

15 BOARD MEMBER WOLFF: This is Paula Wolff.  
16 I so move.

17 BOARD MEMBER EADDY: Michael Eaddy.  
18 Second.

19 PRESIDENT FOREMAN: All in favor?

20 (CHORUS OF AYES.)

21 PRESIDENT FOREMAN: Motion passes. And the  
22 meeting is adjourned.

23 Thank you all very much. Please  
24 stay safe. Look forward to your participation

1 next month. Thank you.
