Subject: Emergency Request for the purchase of Intoximeters
Req #: 52010
Spec#: 89297

Attention: Richard Butler

The Chicago Police Department is respectfully requesting emergency purchase for Intoximeters breathalyzers for a total of \$18,638.10. This equipment is needed immediately due to the fact each of the four collective bargaining units representing the Captains, Lieutenants, Sergeants and Police Officers and the City of Chicago signed their respective labor agreements. These agreements have all been ratified by the City Council. In each agreement the Police Department sworn employees agreed to submit to mandatory alcohol breath testing after each and every firearm discharge incident whether the members are on or off duty. Since an investigation starts immediately there is a need for mobile breath testing devices.

CPD has in process a large Sole Source contract request with DPS. This emergency purchase will fill the immediate need until a larger contract is in place.

Your attention to this matter is greatly appreciated.

Sincerely,
